

AGENDA

**CITY COUNCIL WORK SESSION
City of Garland
Work Session Room, City Hall
200 North Fifth Street, Garland, Texas
June 5, 2012
6:00 p.m.**

DEFINITIONS:

Written Briefing: Items that generally do not require a presentation or discussion by the staff or Council. On these items the staff is seeking direction from the Council or providing information in a written format.

Verbal Briefing: These items do not require written background information or are an update on items previously discussed by the Council.

Regular Item: These items generally require discussion between the Council and staff, boards, commissions, or consultants. These items are often accompanied by a formal presentation followed by discussion.

**[Public comment will not be accepted during Work Session
unless Council determines otherwise.]**

NOTICE: The City Council may recess from the open session and convene in a closed executive session if the discussion of any of the listed agenda items concerns one or more of the following matters:

(1) Pending/contemplated litigation, settlement offer(s), and matters concerning privileged and unprivileged client information deemed confidential by Rule 1.05 of the Texas Disciplinary Rules of Professional Conduct. Sec. 551.071, TEX. GOV'T CODE.

(2) The purchase, exchange, lease or value of real property, if the deliberation in an open meeting would have a detrimental effect on the position of the City in negotiations with a third person. Sec. 551.072, TEX. GOV'T CODE.

(3) A contract for a prospective gift or donation to the City, if the deliberation in an open meeting would have a detrimental effect on the position of the City in negotiations with a third person. Sec. 551.073, TEX. GOV'T CODE.

(4) Personnel matters involving the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear a complaint against an officer or employee. Sec. 551.074, TEX. GOV'T CODE.

(5) The deployment, or specific occasions for implementation of security personnel or devices. Sec. 551.076, TEX. GOV'T CODE.

(6) Discussions or deliberations regarding commercial or financial information that the City has received from a business prospect that the City seeks to have locate, stay, or expand in or near the territory of the City and with which the City is conducting economic development negotiations; or
to deliberate the offer of a financial or other incentive to a business prospect of the sort described in this provision. Sec. 551.087, TEX. GOV'T CODE.

(7) Discussions, deliberations, votes, or other final action on matters related to the City's competitive activity, including information that would, if disclosed, give advantage to competitors or prospective competitors and is reasonably related to one or more of the following categories of information:

- generation unit specific and portfolio fixed and variable costs, including forecasts of those costs, capital improvement plans for generation units, and generation unit operating characteristics and outage scheduling;
- bidding and pricing information for purchased power, generation and fuel, and Electric Reliability Council of Texas bids, prices, offers, and related services and strategies;
- effective fuel and purchased power agreements and fuel transportation arrangements and contracts;
- risk management information, contracts, and strategies, including fuel hedging and storage;
- plans, studies, proposals, and analyses for system improvements, additions, or sales, other than transmission and distribution system improvements inside the service area for which the public power utility is the sole certificated retail provider; and
- customer billing, contract, and usage information, electric power pricing information, system load characteristics, and electric power marketing analyses and strategies. Sec. 551.086; TEX. GOV'T CODE; Sec. 552.133, TEX. GOV'T CODE]

(6:00) 1. Written Briefings:

a. Walnut Street Verizon and Oncor Overhead Utility Easement Dedication

In an effort to reduce the number of overhead utility lines in the downtown area in anticipation of the City's proposed improvements on the former DGNO and DART right-of-way, the City developed a project to relocate the existing overhead lines for Oncor and Verizon to an underground duct bank. This project requires placing the duct bank in service prior to removing the overhead facilities. With limited right-of-way, the duct bank location is outside of the Walnut Street right-of-way but within City property previously owned by DART. In order to define a specific corridor for the duct bank, a utility easement dedicated to Oncor and Verizon is required. Council is requested to consider authorizing the Mayor to sign the utility easement to dedicate Oncor and Verizon a defined corridor for their facilities. If Council concurs, this item will be scheduled for formal consideration at the June 19, 2012 Regular Meeting.

b. Appointments to Dallas Area Rapid Transit Board of Directors

The terms of office for Mark Enoch and Michael Cheney as the City of Garland's representatives on the DART Board of Directors will expire on June 30, 2012. Both Mr. Enoch and Mr. Cheney have expressed a desire to be reappointed for another two-year term. Information was posted on the City's website for a 14-day period in order to provide an opportunity for citizens to apply for the positions. Mark Enoch and Michael Cheney were the only citizens to respond. Council is requested to consider reappointing Mark Enoch and Michael Cheney to the DART Board of Directors to serve a two-year term from July 1, 2012 to June 30, 2014. If Council concurs, this item will be scheduled for formal consideration at the June 19, 2012 Regular Meeting.

| Item | Key Person |

2. Discuss Appointments to Boards and Commissions

Council

Guy W. Hull II – Board of Adjustment (Willis)

3. Consider the Consent Agenda

Council

A member of the City Council may ask that an item on the consent agenda for the next regular meeting be pulled from the consent agenda and considered separate from the other consent agenda items. No substantive discussion of that item will take place at this time.

4. Announce Future Agenda Items

Council

A member of the City Council, with a second by another member, or the Mayor alone, may ask that an item be placed on a future agenda of the City Council or a committee of the City Council. No substantive discussion of that item will take place at this time.

Council

(Estimated time to consider)

Policy Report

WALNUT STREET VERIZON AND ONCOR OVERHEAD UTILITY EASEMENT DEDICATION

ISSUE

In an effort to reduce the number of overhead utility lines in the downtown area in anticipation of the City's proposed improvements on the former DGNO and DART ROW, the City developed a project to relocate the existing overhead lines for Oncor and Verizon to an underground duct bank. This project requires placing the duct bank in service prior to removing the overhead facilities. With limited Right-of-Way the duct bank location is outside of the Walnut Street right-of-way but within City property previously owned by DART. In order to define a specific corridor for the duct bank a utility easement dedicated to Oncor and Verizon is required.

OPTIONS

- A. Authorize the Mayor to sign the utility easement to dedicate Oncor and Verizon a defined corridor for their facilities.
- B. Allow Oncor and Verizon blanket use of the City property and Walnut Right-of-way by City permit only.
- C. Choose to allow overhead utilities to remain and suspend request to relocate to an underground duct bank.

RECOMMENDATION:

Option A – Authorize the Mayor to sign the utility easement to dedicate Oncor and Verizon a defined corridor for their facilities. If Council concurs, this item will be scheduled for formal consideration at the June 19, 2012 Regular Meeting.

COUNCIL GOAL

Sustainable Quality Development and Redevelopment
Defends Rightful Powers of Municipalities
Fully Informed and Engaged Citizenry

BACKGROUND

The City requested Oncor and Verizon remove their overhead utilities along the south right-of-way of Walnut Street between Glenbrook Drive and the KCS Railroad. Since

WALNUT STREET VERIZON AND ONCOR OVERHEAD UTILITY EASEMENT
DEDICATION

Page 2

the relocation from overhead to underground was an aesthetic improvement the City is responsible for costs to make such improvements. The City has recently swapped land with DART which has provided a corridor to contain the proposed underground duct bank for Verizon. This corridor is owned by the City but is not City right-of-way. Therefore, dedicating this corridor as an easement for Verizon and Oncor would provide a specific alignment for these utilities.

CONSIDERATION

There is no monetary gain to dedicate this joint use easement to Oncor and Verizon because the request to relocate the overhead line to an underground duct bank was initiated by the City of Garland. The relocation of the existing overhead line will clear the City owned property between Walnut Street and the DART rail of the overhead lines and poles from the proposed Sixth Street Crossing. This relocation will improve the appearance of the future Walnut Street Green Space and the entrance to the downtown area.

ATTACHMENTS

A copy of the easement and dedication language along with the overall location of the easement is attached.

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DALLAS

That **The City of Garland, a Texas home-rule municipality**, hereinafter called "Grantor", whether one or more, for and in consideration of Ten Dollars (\$10.00) and other valuable consideration to Grantor in hand paid by **Oncor Electric Delivery Company LLC, a Delaware limited liability company**, 1616 Woodall Rodgers Freeway, Dallas, Texas 75202-1234, and **Verizon Communications, Inc., a Delaware Corporation**, hereinafter referred to as "Grantees", has granted, sold and conveyed and by these presents does grant, sell and convey unto said Grantees, their successors and assigns, a non-exclusive easement for underground electric supply and communications facilities (the "Easement"), consisting of a variable number of wires and cables, supporting structures, surface mounted equipment, conduits and all necessary appurtenances (collectively, the "Facilities") over, under, through, across and upon Grantor's land described as follows:

SEE EXHIBITS "A AND B" (ATTACHED)

Together with the right of ingress and egress along and upon the Easement Area for the purpose of and with the right to construct, maintain, operate, repair, remove, replace, reconstruct, abandon in place, and to change the size and capacity of the underground Facilities; the right to trim or remove trees or shrubbery within, but not limited to, Easement Area, to the extent as may be necessary to prevent possible interference with the operation of the Facilities or to remove possible hazard thereto.

It is expressly understood that the Easement is for underground utilities only and that no overhead poles, supporting structures, conduit, wires, cables, lines, appurtenances, or other facilities shall be located or constructed within the Easement except as is necessary to connect the underground utilities to existing overhead poles, conduit, lines or appurtenances near the origin or terminus of same.

Grantor reserves the right to use the Easement area for purposes not inconsistent with Grantees' use of the land, provided such use shall not interfere with the exercise by Grantees of the rights hereby granted.

THE EASEMENT IS MADE WITHOUT WARRANTY, EXPRESS OR IMPLIED, AND GRANTOR EXPRESSLY DISCLAIMS, EXCEPTS AND EXCLUDES ANY AND ALL WARRANTIES OF TITLE OR OTHERWISE FROM THIS CONVEYANCE, INCLUDING—WITHOUT LIMITATION—ANY WARRANTIES ARISING UNDER COMMON LAW OR UNDER SECTION 5.023 OF THE TEXAS PROPERTY CODE OR OTHER STATUTE. BY ACCEPTANCE OF THE EASEMENT, GRANTEE ACKNOWLEDGES THAT THE LAND INTEREST IS CONVEYED "AS IS—WHERE IS, WITH ALL FAULTS".

TO HAVE AND TO HOLD the Easement unto Grantees, their successors and assigns, until Grantees' utility lines and facilities are abandoned, and in that event the Easement shall cease and all rights herein granted shall terminate and revert to Grantor or Grantor's heirs, successors or assigns, and legal representatives.

EXHIBIT A
11,571-SQUARE FOOT TRACT
PART OF THE JOEL CRUMPACKER SURVEY, ABST. No. 328
CITY OF GARLAND, DALLAS COUNTY, TEXAS

BEING an 11,571 square-foot tract of land in the City of Garland, Dallas County, Texas, in the Joel Crumpacker Survey, Abstract No. 328 and also being part of a called 4,673.54-square-foot tract of land described in a deed from Don Rains & W.G. Lyons to The City of Garland, Texas, dated the 18th day of April, 1989, and recorded in Volume 89087, at Page 1058 of the Deed Records of Dallas County, Texas, and part of a 49,054-square-foot tract of land described in a deed from Dallas Area Rapid Transit to The City of Garland, Texas, dated the 21st day of December, 2011, and recorded in County Clerk Number 201200018349 of the Official Public Records of Dallas County, Texas, said tract being more particularly described as follows:

COMMENCING at a 1/2-inch capped steel rod stamped "PACHECO-KOCH" found for the southwesterly corner of said 4,673.54-square-foot City of Garland tract and an easterly corner of Lot 1, Block 1 of Garland Heights Commercial according to the plat thereof recorded in Volume 86108, at Page 2773 of the Deed Records of Dallas County, Texas, said commencing point having coordinates of X=2,539,367.10 feet, Y=7,021,217.99 feet;

THENCE N 17°52'48" E with the common line between said 4,673.54-square-foot tract and the said Lot 1, Block 1 for a distance of 36.78 feet to the PLACE OF BEGINNING of the tract herein described, and having coordinates of X=2,539,378.40 feet, Y=7,021,252.99 feet;

THENCE N 17°52'48" E continuing with said common line for a distance of 15.09 feet to a point on the southerly right-of-way line of Walnut Street (a variable width right-of-way) for the north corner of said Lot 1, Block 1, Garland Heights Commercial and the north corner of said 4,673.54-square-foot City of Garland tract;

THENCE with the southerly right-of-way line of Walnut Street for the following nine (9) courses and distances:

- (1) S 89°56'49" E for a distance of 216.67 feet;
- (2) N 89°25'48" E for a distance of 218.18 feet;
- (3) N 78°03'48" E for a distance of 109.22 feet;
- (4) N 11°56'12" W for a distance of 3.93 feet;
- (5) N 79°50'38" E for a distance of 12.01 feet;
- (6) S 11°56'12" E for a distance of 3.56 feet;
- (7) N 78°03'48" E for a distance of 114.51 feet;
- (8) N 79°50'38" E for a distance of 160.93 feet to an X recovered;
- (9) N 78°03'48" E for a distance of 9.91 feet from which an X recovered on the westerly right-of-way line of Fifth Street bears N 78°03'48" E a distance of 35.28 feet;

THENCE departing the southerly right-of-way line of Walnut Street and across the two aforementioned City of Garland tracts the following eight (8) courses and distances:

- (1) S 30°08'42" W for a distance of 20.16 feet;
- (2) S 82°20'48" W for a distance of 116.75 feet;
- (3) S 77°20'48" W for a distance of 100.60 feet;
- (4) S 78°03'48" W for a distance of 187.55 feet
- (5) S 89°44'35" W for a distance of 247.46 feet;
- (6) S 84°41'27" W for a distance of 45.42 feet;
- (7) S 89°44'35" W for a distance of 57.86 feet;
- (8) N 87°14'21" W for a distance of 80.26 feet to the PLACE OF BEGINNING and containing 11,571 square feet or 0.266 acres of land.

Policy Report

DALLAS AREA RAPID TRANSIT BOARD OF DIRECTORS

ISSUE

The terms of office for Mark Enoch and Michael Cheney as the City of Garland's representatives on the DART Board of Directors will expire on June 30, 2012. Both Mr. Enoch and Mr. Cheney have expressed a desire to be reappointed for another two-year term.

Information was posted on the City's website beginning April 30, 2012 for 14 days in order to provide an opportunity for citizens to apply for the positions. Qualified applicants were requested to submit a letter of interest and resume to the City Manager's Office. Mark Enoch and Michael Cheney were the only citizens to respond.

Council is requested to consider reappointing Mark Enoch and Michael Cheney to serve a two-year term from July 1, 2012 to June 30, 2014 as the City of Garland's representatives on the DART Board of Directors.

OPTIONS

1. Reappoint Mark Enoch and Michael Cheney for another two-year term as the City of Garland's representatives to the DART Board of Directors.
2. Do not reappoint Mark Enoch and/or Michael Cheney.

RECOMMENDATION

Option 1 – Reappoint Mark Enoch and Michael Cheney to serve another two-year term from July 1, 2012 to June 30, 2014. If Council concurs, this item will be scheduled for formal consideration at the June 19, 2012 Regular Meeting.

BACKGROUND

Council initially appointed Mark Enoch to serve as one of the City of Garland's two representatives to the DART Board of Directors on October 7, 1997. Mr. Enoch has continued to serve on the DART Board since that time. On May 3, 2011, Council appointed Michael Cheney to complete the term of a previous representative. At the end of that term, Mr. Cheney was reappointed to serve a two-year term.

In accordance with City Council Policy GOV-01, "Council Appointments to and Communications with Outside Agencies/Authorities", notice was placed on the City's website at least 45 days prior to the board member's expiring term for a minimum of 14 days in order to provide citizens the opportunity to apply for the position.

CONSIDERATION

At the close of the 14-day notice period, Mark Enoch and Michael Cheney were the only citizens to respond. Mr. Enoch and Mr. Cheney have submitted requests that Council consider reappointing them to the DART Board for another two-year term.

Subject: Dart Board position

Dear Mayor Jones and Councilmembers,

I would very much like to be reappointed to serve Garland on the board of DART.

Many issues are now surfacing with regard to if, when and under what terms, DART allows non-member cities to connect with the existing system. As you know, I have a keen interest in this subject and would like to stay on the board to allow my input and ideas. Having served on the RTC for the past several years, I have a perspective on this issue that others might not.

Please forgive the lack of formality in my application. I am a defense trial lawyer and have been under tight deadlines for the past 2 weeks and now am preparing for this 3 week trial which will begin on Thursday of this week.

I am anxious to continue and would appreciate your support and reappointment.

Sincerely,

Mark C. Enoch

To: Smith, Cindy
Subject: DART Board

Thank you for your email advising of the notice for the appointment of the DART Board representative for Garland for the term July 1, 2012 to June, 30, 2014.

I am pleased and privileged to offer myself as a candidate for the next term of Director on the DART Board of Directors to represent the City of Garland. I believe that I have served the interests of the citizens of Garland well and I am still learning the business of public transportation in the DFW service area and specifically the 13 member cities. As the Chairman of the Audit Committee I have the opportunity to see that the Internal Audit function within DART is performing its role in the oversight of the DART business operations.

Thank you for allowing me the opportunity to serve the City of Garland.

Michael T. Cheney

AGENDA

REGULAR MEETING OF THE CITY COUNCIL

City of Garland

Council Chambers, City Hall

200 North Fifth Street, Garland, Texas

June 5, 2012

7:00 p.m.

The City Council extends to each visitor a sincere welcome. We value your interest in your community and your participation in the meetings of this governing body. Regular meetings of the City Council are held the 1st and 3rd Tuesdays of each month, beginning at 7:00 p.m.; the City Council meets regularly in work sessions at 6:00 p.m. the Monday preceding each regular meeting.

The Garland City Hall and Council Chambers are wheelchair accessible. Special parking is available on the north side of City Hall and the building may be accessed by a sloped ramp from the parking area to the door facing Fifth Street. Persons with disabilities who plan to attend this meeting and who may need auxiliary aids or services must contact the City Secretary's Office at (972) 205-2403 at least two working days prior to the meeting so that appropriate arrangements can be made. BRAILLE IS NOT AVAILABLE.

CITY COUNCIL GOALS 2020

(Adopted by Resolution No. 9402 on December 20, 2005)

- **Sustainable quality development and redevelopment**
- **Financially stable government with tax base that supports community needs**
- **Defends rightful powers of municipalities**
- **Fully informed and engaged citizenry**
- **Consistent delivery of reliable City services**
- **Safe, family-friendly neighborhoods**
- **Embrace diversity**

CONSENT AGENDA

All items under this section are recommended for approval by a single motion of Council, without discussion. Council has been briefed on these items at a previous work session and approval of the consent agenda authorizes the City Manager to implement each item. The Mayor will announce the agenda and provide an opportunity for members of the audience and the City Council to request that an item be removed and considered separately.

1. Consider approval of the minutes of the May 15, 2012 Regular Meeting and May 22, 2012 Special Meeting.

2. Consider approval of the following bids:

- a. EMS Supplies Bid No. 2845-12

| | |
|------------------------|---------------------|
| Bound Tree Medical | \$215,629.01 |
| Midwest Medical Supply | <u>109,155.85</u> |
| TOTAL | <u>\$324,784.86</u> |

This request is for the purchase of supplies for the Fire Department to be used to diagnose and treat patients in a pre-hospital environment.

- b. Water and Sanitary Sewer Improvements - Bid No. 2880-12
Second Street, Haskell Drive, Avenue G,
and Hopkins Street

| | |
|-------------------------------|--------------|
| ARK Contracting Services, LLC | \$710,657.00 |
|-------------------------------|--------------|

This request is for the construction of new residential service lines, removal of the existing lines from an undersized main, and the connection to a new larger main. The existing sanitary sewer main will also be replaced.

- c. Environmental Waste Trucks Bid No. 2904-12

| | |
|--------------------------------|---------------------|
| Southwest International Trucks | \$375,348.19 |
| Heil of Texas | 205,076.00 |
| Bond Equipment | 162,109.00 |
| East Texas Mack Sales | <u>133,496.32</u> |
| TOTAL | <u>\$876,029.51</u> |

This request is for the purchase of seven replacement trucks, truck bodies, and cab and chassis for the Environmental Waste Services Department to be used in daily operations.

d. Tractor/Transfer Trucks

Bid No. 2942-12

Fort Worth Freightliner

\$392,982.00

This request is for the purchase of three tractor/transfer trucks for the Hinton Landfill to be used in daily operations.

e. Various Fleet Vehicles – Vans and Trucks

Bid No. 2859-12

Sam Pack's Five Star Ford

\$613,349.00

Randall Reed's Prestige Ford

49,986.00

Baby Jack II Automotive, LTD

16,966.00

TOTAL

\$680,301.00

This request is for the purchase of 30 replacement vehicles for various City departments to be used in daily operations.

f. Hydraulic Excavator

Bid No. 2902-12

HoltCat

\$317,534.00

This request is for the purchase of a 336EL Hydraulic Excavator for the Hinton Landfill to be used in daily operations.

g. Bucket Trucks

Bid No. 2906-12

Altec Industries, Inc.

\$618,048.00

This request is for the purchase of five replacement bucket trucks to be used by the Transportation Department and GP&L in daily operations.

h. Caterpillar Model 973D Track Loader

Bid No. 2949-12

HoltCat

\$486,713.00

This request is for the purchase of a Caterpillar Model 973D Tract Loader for the Hinton Landfill to be used in daily operations.

3. **Public hearings were previously conducted for the following zoning cases. Council approved the requests and instructed staff to bring forth the following ordinances for consideration.**

- a. **Zoning File No. 12-16, Winkelmann & Associates**

Consider an ordinance amending the zoning laws of the City of Garland by approving a change in zoning from Planned Development (PD) District 81-61 to a Planned Development (PD) District for General Business Uses with a Specific Use Permit (SUP) for Restaurant, Drive-Through on a 7.088-acre tract of land located south of Marketplace Drive, east of Saturn Road and northwest of Centerville Road.

- b. **Zoning File No. 12-19, Columbus Realty Partners Ltd.**

Consider an ordinance amending the zoning laws of the City of Garland by approving amendments to the Planned Development conditions and approval of a Detail Plan on a 3.998-acre tract of land zoned in Planned Development (PD) District 02-25 for Freeway Uses located south of Firewheel Parkway and east of Lavon Drive.

- c. **Zoning File No. 12-20, Barclay Construction**

Consider an ordinance amending the zoning laws of the City of Garland by approving amendments to the Planned Development conditions and approval of a Detail Plan on a .8161-acre tract of land zoned in Planned Development (PD) District 03-22 for Office Uses located at the northeast corner of Jupiter Road and Collins Boulevard.

4. **Consider by minute action authorizing the City Manager to execute an engineering services contract with BW2 Engineers, Inc.**

The 2012 approved Capital Improvement Program includes funding to design and construct a bikeway from the north city limits to the south city limits. A contract has been negotiated with a local firm, BW2 Engineers, Inc., to design the off-road portions of the bikeway for an estimated amount of \$181,400. The improvements will include a concrete bikeway complete with two bridge crossings over Duck Creek.

5. **Consider an ordinance authorizing the issuance of “City of Garland Water and Sewer System Revenue Bonds, Series 2012”, pledging net revenues of the City’s Water and Sewer System to the security of and the payment of the principal of and interest on such obligations; providing for the sale and delivery thereof, including the approval and execution of a Paying Agent/Registrar Agreement and a Purchase Agreement, and the approval and distribution of a Preliminary Official Statement and an Official Statement pertaining thereto; enacting provisions incident and related to the purposes and subject of this ordinance.**

Consider an ordinance authorizing the issuance of “City of Garland Combination Tax and Revenue Certificates of Obligation, Series 2012”; providing for the payment of said certificates of obligation by the levy of an ad valorem tax upon all taxable property within the City and a limited pledge of the net revenues derived from the operation of the City’s Water and Sewer System; providing the terms and conditions of such certificates of obligation and resolving other matters incident and relating to the issuance, payment, security, sale and delivery of said certificates of obligation, including the approval and execution of a Paying Agent/Registrar Agreement and a Purchase Agreement and the approval and distribution of a Preliminary Official Statement and an Official Statement pertaining thereto.

On February 21, 2012, Council approved the 2012 Capital Improvement Program (CIP) which contemplated the sale of Certificates of Obligation in the amount of \$6.8 million, and Water and Sewer Revenue Bonds in the amount of \$8.4 million, excluding debt issuance cost. At the May 14, 2012 Work Session, Council considered authorizing the sale of debt to fund the approved CIP.

6. **Consider a resolution adopting an amended investment policy of the City of Garland.**

At the May 14, 2012 Work Session, Council considered authorizing revisions to three sections of City Council Policy FIN-06, Statement of Investment Policy.

7. **Consider a resolution authorizing the City Manager to enter into a banking services and depository agreement with JP Morgan Chase Bank.**

At the May 14, 2012 Work Session, Council considered authorizing a depository bank contract with JP Morgan Chase, a financial institution that

has been selected through a Request for Application process to meet the City's banking needs in accordance with City Council Policy FIN-06.

- 8. Consider a resolution reappointing Jamie Ratliff to the Board of Directors of the Texas Municipal Power Agency.**

At the May 15, 2012 Work Session, Council was notified that Jamie Ratliff's term as a member of the Texas Municipal Power Agency (TMPA) Board of Directors will expire on July 18, 2012. Information was posted on the City's website for 14 days in order to provide an opportunity for citizens to apply for the position. Mr. Ratliff was the only citizen to respond.

ITEMS FOR INDIVIDUAL CONSIDERATION

Speaker Regulations:

Anyone wishing to speak for, against, or on agenda items must fill out a speaker card and give it to the City Secretary before speaking (cards located at the entrance to the Council Chambers). The Mayor will recognize speakers; he may impose a time limit and may provide for rebuttal. All comments and testimony are to be presented from the podium.

- 9. Hold a public hearing to consider an ordinance amending Chapter 22, "Health", of the Code of Ordinances of the City of Garland; providing a penalty under the provisions of Sec. 10.05 of the Code of Ordinances of the City of Garland.**

Health Department staff proposes that Section 22.39(E) of the Code of Ordinances be modified by removing paragraphs (2) and (3). The removal of paragraph (2) will eliminate the prohibition of conveying food from mobile food preparation vehicles to "walk-up" and "drive-up" customers. The removal of paragraph (3) will remove the restriction of mobile food preparation vehicles operating at one location no longer than one hour. The easing of movement and sales constraints will permit the new niche of "gourmet food trucks" to operate on private property within Garland. The proposed draft ordinance was presented to Council by the Marketing/Events Committee Chair at the May 14, 2012 Work Session.

- 10. Hold public hearings on the following zoning cases:**
 - a. Consider the application of Wes Parnell requesting approval of 1) a change of zoning from Office 1 (O-1) District to General Business**

(GB) District and 2) a Specific Use Permit for a Restaurant with Drive-Through. The property is located at 3300 Broadway Boulevard. (File 12-15)

The proposal is for approval of a change in zoning from Office 1 to General Business and a Specific Use Permit for a Restaurant with Drive-Through. At the April 9, 2012 meeting, the Plan Commission (by a 5 to 4 vote) recommended denial of the request. At the May 1, 2012 meeting, City Council approved a motion to change the zoning and a Specific Use Permit. At the May 15, 2012 meeting, the City Council directed this case be set for a new public hearing.

- b. Consider the application of United Towing & Transport Dallas requesting approval of a Specific Use Permit for a Wrecker Service on property zoned Commercial 2 (C-2) District and Industrial 1 (I-1) District. The property is located at 2521 Oakland Street. (File 12-22)**

The proposal is for approval of a Specific Use Permit for a Wrecker Service. At the May 14, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended approval of the request as recommended by staff.

- c. Consider the application of Loveth/Tony requesting approval of a Specific Use Permit for a Reception Facility on property zoned Shopping Center (SC) District. The property is located at 3338 Broadway Boulevard Suite 302/304. (File 12-25)**

The proposal is for approval of a Specific Use Permit for a reception facility in a shopping center. At the May 14, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended approval of the request for a period of 10 years tied to the applicant, Loveth/Tony.

11. Consider appointments to Boards and Commissions.

Board members are selected for two-year terms by the City Council in August. Terms are usually staggered whereby at least half of the membership has board experience. Board members are appointed based on qualifications.

Guy W. Hull II – Board of Adjustment (Willis)

12. Citizen comments.

Persons wishing to address issues not on the agenda may have three minutes to address Council at this time. Council is prohibited from discussing any item not posted according to the Texas Open Meetings Act.

13. Adjourn.

All Regular Council meetings are broadcast live on CGTV, Time Warner Cable Channel 16, and Verizon FIOS TV 44. Meetings are rebroadcast at 9:00 a.m. and 7:00 p.m. on Wednesday-Sunday and at 7:30 p.m. on Thursday. Live streaming and on-demand videos of the meetings are also available online at www.garlandtx.gov. Copies of the meetings can be purchased through the City Secretary's Office – audio CD's are \$1 each and DVD's are \$3 each.

The City Council of the City of Garland, Texas convened in regular session at 7:00 PM on Tuesday, May 15, 2012, in the Council Chambers at City Hall with the following members present:

| | |
|---------------|---------------------|
| Mayor | Ronald E. Jones |
| Mayor Pro Tem | Preston Edwards |
| Councilmember | Laura Perkins Cox |
| Councilmember | Larry Jeffus |
| Councilmember | John Willis |
| Councilmember | Lori Barnett Dodson |
| Councilmember | Rick Williams |
| Councilmember | Jim Cahill |
| Councilmember | Douglas Athas |

| | | |
|----------------|------------------------|-------------------|
| STAFF PRESENT: | City Manager | William E. Dollar |
| | City Attorney | Brad Neighbor |
| | Interim City Secretary | Elaine Simpson |
| | Recording Secretary | Yvonne Naser |

CALL TO ORDER: The meeting was called to order by Mayor Ronald E. Jones. Councilmember Rick Williams led the invocation and the pledge.

CEREMONIALS: Texas State Representative Angie Chen Button of District 112 and Texas State Representative Cindy Burkett of District 101 presented Resolutions from the State of Texas House of Representatives in honor of outgoing members of council. Councilmember Doug Athas, Councilmember Laura Perkins Cox and Councilmember Larry Jeffus were honored.

Mayor Ron Jones also presented the outgoing members of council with Special Recognitions in honor of their service.

Mayor Ron Jones presented a Special Recognition in honor of the late Claudia Jenkins.

Mayor Ron Jones presented a Proclamation for Asian-American Heritage Month and for Safe Boating Month.

CONSENT AGENDA: All items marked with asterisks (**) on the Consent Agenda were

voted on at the beginning of the meeting. Motion was made by Councilmember Williams and second by Councilmember Dodson to approve Consent Agenda Item #'s: 1, 2, 3.a., 3.b., 4., 5., and 6 Motion carried: 9 Ayes; 0 Nays; and 0 Abstentions.

1. Approved** Consider approval of the minutes of the May 1, 2012 Regular Meeting.
2. Approved** Consider Bid No. 2846-12 - City Center Project to VAI Architects, Inc. for \$ 1,025,200.00 for professional architectural services for the design and coordination of the City Center Project including the new parking structure and City Hall façade.
- 3.a. Approved** Consider Ordinance. 6540 for Martin Eagle Oil Co. - Zoning File No. 12-11- amending the zoning laws of the City of Garland by approving a Specific Use Permit for Retail Sales with Gasoline Pumps on property zoned Commercial 1 (C-1) District and PD (Planned Development) District 85-27 for Shopping Center Uses on a .48-acre tract located at 2902 Lavon Drive.
- 3.b. Approved** Consider Ordinance #6541 - Responsive Education Solutions, Zoning File No. 12-14, amending the zoning laws of the City of Garland by approving a Specific Use Permit for a Charter School on property zoned PD (Planned Development) District 05-08 for Church and Industrial Uses on a 37.72-acre tract located at 1600 West Campbell Road.
- 3.c. Postponed Consider Ordinance for Chicken Express - Zoning File No. 12-15, Chicken Express amending the zoning laws of the City of Garland by approving a change in zoning from Office 1 (O-1) District to Office 2 (O-2) District, and a

Specific Use Permit for Restaurant, Drive-Through on a 1.09-acre tract of land located at 3300 Broadway Boulevard.

Mayor recognized Dr. Lisa Garner to speak. She expressed concerns that the proposed Ordinance as written tonight did not reflect the motion as was passed at the May 1, 2012 City Council meeting. At the previous meeting the SUP was supposed to be 'tied' specifically to applicant Wes Parnell, and in this Ordinance, as presented, it is tied to Chicken Express. Also, she noted concerns with the ingress and egress onto Stonewall.

The following citizens registered their positions as 'against' the Ordinance upon speaker cards, but did not speak: David H. Merchant, Cecilia Fisher and Dr. Phillipp Dunn.

Neil Montgomery, Senior Managing Director of Development Services explained that it is usually the business name, and not the name of the individual applicant, that is tied to the SUP.

Councilmember Jeffus made a motion and Councilmember Willis seconded, to postpone consideration of this until June. Substitute motion by Councilmember Cox, second by Councilmember Cahill, to direct staff to process needed paperwork and to publish notice for a new public hearing to be held at the first meeting in June. Motion carries 8 Ayes; 1 Nay and 0 Abstentions.

Ayes: Athas, Cox, Edwards, Jeffus, Willis, Cahill, Williams and Jones.

Nay: Dodson.

4. Approved**

Consider Resolution #10051 authorizing the City Manager to execute a Drainage Improvement District agreement with the SpringPark Homeowners Association, Inc., for construction of erosion protection improvements adjacent to the 6700 block of Lakeshore Drive. Both the Homeowners Association and City staff have been working to develop an agreement to design and construct erosion protection

improvements along Spring Creek within SpringPark. The City routinely participates with homeowners, property owners and associations to share in the cost of mitigating impacts from erosion in accordance with the provisions contained in the Drainage Improvement District Ordinance. The drainage category of the Capital Improvement Program includes funding for these types of projects. This item was discussed at the May 14, 2012 Work Session.

5. Approved**

Consider Resolution #10052 accepting a Texas Department of Transportation (TxDOT) Selective Traffic Enforcement Program (STEP) – Click It or Ticket grant in the amount of \$9,000. At the May 14, 2012 Work Session, Council discussed authorizing the City Manager to accept a fully funded TxDOT STEP – “Click It or Ticket” grant in the amount of \$9,000 for conducting intense vehicle occupant protection enforcement. The required enforcement period will be May 21 – June 3, 2012.

6. Approved**

Consider Ordinance #6543 denying Atmos Energy Corp., Mid-Tex Division’s requested rate change; requiring the company to reimburse the City’s reasonable ratemaking expenses and requiring notice of this resolution to the Company and ACSC’s legal counsel. Atmos Energy Corp. Mid-Tex Division filed an application with the City to increase natural gas rates pursuant to the Rate Review Mechanism. This was discussed by Council at their May 14, 2012, Work Session.

7. Approved

Consider by minute action authorizing the City Manager to execute a consulting agreement with Ray Schwertner. At the January 3, 2012 City Council Executive Session meeting, Council discussed the reassignment of Ray Schwertner, the Managing Director of Electric Utility, to a consulting basis. At the March 20, 2012 Regular Meeting, Council reviewed a

draft agreement and authorized the City Manager to execute the draft agreement with Mr. Schwertner in substantially the form and substance of that presented to Council. At the request of Ray Schwertner, substantial revisions have been made to the draft agreement that require Council's approval.

Motion by Councilmember Dodson to postpone consideration of this item until TMPA issues could be considered by Council.

Motion died for lack of a second.

Motion was made by Councilmember Jeffus, second by Councilmember Williams, to approve the agenda item as presented. Motion carried with 7 Ayes; 2 Nays and 0 Abstentions.

Ayes: Athas, Williams, Jeffus, Jones, Willis, Cahill, Edwards

Nays: Cox and Dodson

ITEMS FOR INDIVIDUAL CONSIDERATION

8. Held and Approved

Hold a public hearing and consider Resolution # 10053 finding and determining the necessity and feasibility of using a parcel of property within Woodland Basin Nature Area for the improvement of Miller Road. The Dallas County project for the construction of a new Miller Road roadway and bridge at Rowlett Creek requires the use of a very small portion of the Woodland Basin Nature Area adjacent to the existing right-of-way for roadway and bridge improvements. This requires a public hearing and a finding by Council to meet the requirements of Chapter 26 of the Texas Parks and Wildlife Code. At their May 2, 2012 meeting, the Park and Recreation Board concurred with the finding that there is no feasible and prudent alternative to the use of a small portion of the parkland for the proposed roadway and bridge replacement project and that all reasonable planning has been done to minimize harm to the park. This item was also discussed by Council at the May 1, 2012 Work Session.

Motion was made by Councilmember Williams, second by Councilmember Dodson, to close the public hearing and to approve the Resolution as presented.

Motion carried by unanimous vote of 9 Ayes; 0 Nays and 0 Abstentions.

9. a. Held and Approved

Consider the application of Winkelmann & Associates requesting approval of 1) a change of zoning from PD (Planned Development) District 81-61 to a Planned Development District for General Business Uses, 2) a Detail Plan for Athletic Club/Instruction, 3) a Specific Use Permit for Restaurant, Drive-Through, 4) a Detail Plan for Restaurant, Drive-Through and Medical Office/Clinic, 5) a variance to Section 10-200 of Comprehensive Zoning Ordinance No. 4647 regarding number of required parking spaces and 6) a variance to Section 25-600 of Comprehensive Zoning Ordinance No. 4647 regarding maximum building height. This property is located south of Marketplace Dr., east of Saturn Rd. and northwest of Centerville Rd. (Z File 12-16, City Council District #5, Councilmember John Willis) The proposal is for approval of a change of zoning, Detail Plans, Specific Use Permit and variances to develop a fitness center, drive-through restaurant and medical office. At the April 23, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended approval of the request as recommended by staff.

Neil Montgomery, Senior Managing Director of Development Services presented the staff report and explained plans are for the old Mervyns building to be taken out and replaced with a building that will house an L.A. Fitness. There will be a Starbucks coffee shop that will require the drive-through. All other proposed uses in this project are allowed by right, such as the dental office.

Mr. Michael Clark spoke on behalf of the applicant. He asked that Garland Eastgate II, L.P. be listed as holder of the

SUP.

Councilmember Willis made a motion, second by Councilmember Jeffus, to close the public hearing and to approve 1) a change of zoning from PD (Planned Development) District 81-61 to a Planned Development District for General Business Uses, 2) a Detail Plan for Athletic Club/Instruction, 3) a Specific Use Permit for Restaurant, Drive-Through, 4) a Detail Plan for Restaurant, Drive-Through and Medical Office/Clinic, 5) a variance to Section 10-200 of Comprehensive Zoning Ordinance No. 4647 regarding number of required parking spaces, and 6) a variance to Section 25-600 of Comprehensive Zoning Ordinance No. 4647 regarding maximum building height as recommended by staff and by the Plan Commission, but to strike the following from the list of allowed uses: Tire Dealer, Transit Station and Wrecker Service. Motion carried unanimously by a vote of 9 Ayes; 0 Nays and 0 Abstentions.

9b. Held and Approved

Consider the application of Columbus Realty Partners Ltd, requesting approval of 1) a Detail Plan for Multi-Family Uses; 2) amendments to the Planned Development (PD) District conditions; and 3) a variance to the Zoning Ordinance Section 10-200 regarding minimum parking requirements for multifamily uses. The property is located at the northeastern corner of River Fern Avenue and Horseshoe Drive. (File Z # 12-19, City Council District #1, Councilmember Douglas Athas) The proposal is for approval of a Detail Plan, amendments to the Planned Development conditions and variances to develop a second phase of multifamily units at Firewheel Town Center. At the April 23, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended approval of the request as recommended by staff.

Neil Montgomery, Senior Managing Director of Development Services gave the staff report and explained

that this is the second phase of residential as started five years ago for this project and that it complements the existing residential. This will add 281 residential units.

Mr. J. Mark Wolf and Mr. David Meyers spoke for the applicant, Columbus Realty Partners.

Councilmember Athas made a motion and Councilmember Cox seconded, to close the public hearing and to approve request for 1) a Detail Plan for Multi-Family Uses; 2) amendments to the Planned Development (PD) District conditions; and 3) a variance to the Zoning Ordinance Section 10-200 regarding minimum parking requirements for multifamily uses, as recommended by the Plan Commission and by staff. Motion carried unanimously by a vote of 9 Ayes; 0 Nays and 0 Abstentions.

9c. Held and Approved

Consider the application of Barclay Construction requesting approval of 1) a Detail Plan for Medical Office/Clinic and 2) amendments to the conditions in PD (Planned Development) District 03-22. The property is located at 3475 Collins Boulevard. (File Z # 12-20, City Council District #7, Councilmember Rick Williams) The proposal is for approval of a Detail Plan for Medical Office/Clinic and amendments to the conditions in PD 03-22. At the April 23, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended approval of the request as recommended by staff.

Neil Montgomery, Senior Managing Director of Development Services gave the staff report.

Motion was made by Councilmember Williams, second by Councilmember Dodson, to close the public hearing and to approve 1) a Detail Plan for Medical Office/Clinic and 2) amendments to the conditions in PD (Planned Development) District 03-22 as recommended by Plan Commission and staff. Motion carried unanimously by vote of 9 Ayes; 0 Nays; 0 Abstentions.

9.d. Held and denied

Consider the application of Joe Pokawa requesting approval of a Specific Use Permit for a Reception Facility on property zoned Shopping Center (SC) District. The property is located at 3420 Broadway Boulevard, Suite 125. (Z File 12-21 –Council District #3, MPT Edwards) The proposal is for approval of a Specific Use Permit for a Reception Facility in a Shopping Center. At the April 23, 2012 meeting, the Plan Commission (by a 9 to 0 vote) recommended denial of the request as recommended by staff. The applicant is appealing the Plan Commission's recommendation.

Neil Montgomery, Senior Managing Director of Development Services gave the staff report explaining that this item received a negative recommendation from Plan Commission due to noise concerns because of proximity of site to a residential area. There is also an assisted living center which is being built now in close proximity of this shopping center.

Mr. Patrick Saucedo spoke in favor of the request, and noted that there is a high wall behind the shopping center which will act as a noise buffer between the reception facility and the neighborhood behind it.

Mr. Joe Pokawa, applicant, spoke in favor of the request stating that the previous use in this space was a dance school and he did not think that the reception hall would make more noise than the dance school did. This facility will be used for meetings, receptions, etc. The receptions will be held toward the front of the building, not toward the back.

Motion was made by MPT Edwards, second by Councilmember Cox, to close the public hearing and to deny the application of Joe Pokawa requesting approval of a Specific Use Permit for a Reception Facility on property zoned Shopping Center (SC) District as recommended by Plan Commission. Motion carried unanimously by a vote of 9 Ayes; 0 Nays and 0 Abstentions.

10. Citizen comments.

There were no citizen comments.

There being no further business to come before the City Council, Mayor Jones adjourned the meeting at 8:59 pm.

CITY OF GARLAND

Signed:

Mayor Ronald E. Jones

Attest:

Elaine Simpson, Interim City Secretary

The City Council of the City of Garland, Texas convened in special session at 6:00 PM on Tuesday, May 22, 2012, in the Council Chambers at City Hall with the following members present:

| | |
|---------------|-------------------|
| Mayor | Ronald E. Jones |
| Mayor Pro Tem | Preston Edwards |
| Councilmember | Douglas Athas |
| Councilmember | Laura Perkins Cox |
| Councilmember | John Willis |
| Councilmember | Lori Dodson |
| Councilmember | Rick Williams |
| Councilmember | Jim Cahill |
| Councilmember | Larry Jeffus |

| | | |
|----------------|------------------------|----------------|
| STAFF PRESENT: | City Manager | Bill Dollar |
| | City Attorney | Brad Neighbor |
| | Interim City Secretary | Elaine Simpson |
| | Recording Secretary | Yvonne Naser |

CALL TO ORDER: The meeting was called to order at 6:08 p.m. by Mayor Ronald E. Jones who also gave the invocation and led the pledge.

1. Consider Ordinance # 6543 canvassing the results of a General Election held for the purpose of electing a candidate to the office of City Council of the City of Garland, Texas, for an election having been held on May 12, 2012 and declaring the results of that election.

Motion was made by Councilmember Jeffus and second by Councilmember Cox to approve Ordinance #6543 canvassing the results of a General Election held for the purpose of electing a candidate to the office of City Council of the City of Garland, Texas, for an election having been held on May 12, 2012 and declaring B.J. Williams elected as Councilmember for District 4 . Motion carried: 9 Ayes; 0 Nays; and 0 Abstentions.

2. At this time the newly elected Councilmembers were sworn in.

For District 1, Marvin F. "Tim" Campbell was given the Oath of Office by his wife, Jane.

Councilmember District 4, B.J. Williams was given the Oath of Office by his daughter, Dr. Chonda Williams.

Councilmember District 5, John Willis was sworn in by his wife Dana and his daughter, Lauren.

Each member made a few brief remarks thanking their families and supporters.

3. At this time there was recognition for outgoing Council Members.

Texas State Representative Angie Chen Button from District #112 commended the outgoing Council members for their exemplary service for the past six years.

Mayor Jones presented outgoing Councilmember District 1, Douglas Athas, with a plaque and City flag in recognition of his service on the Council.

Mayor Jones presented outgoing Councilmember District 4, Larry Jeffus, with a plaque and City flag in recognition of his service on the Council.

Mr. Athas and Mr. Jeffus gave brief remarks thanking their families and supporters.

There being no further business to come before the City Council, Mayor Jones adjourned the meeting at 6:35 pm.

ORDINANCE NO.

AN ORDINANCE AMENDING THE ZONING LAWS OF THE CITY OF GARLAND, TEXAS, BY APPROVING A CHANGE IN ZONING FROM PLANNED DEVELOPMENT (PD) DISTRICT 81-61 TO A PLANNED DEVELOPMENT (PD) DISTRICT FOR GENERAL BUSINESS USES WITH A SPECIFIC USE PERMIT (SUP) FOR RESTAURANT, DRIVE-THROUGH ON A 7.088-ACRE TRACT OF LAND LOCATED SOUTH OF MARKETPLACE DRIVE, EAST OF SATURN ROAD AND NORTHWEST OF CENTERVILLE ROAD; PROVIDING FOR CONDITIONS, RESTRICTIONS, AND REGULATIONS; AND PROVIDING FOR A PENALTY AND AN EFFECTIVE DATE.

WHEREAS, at its regular meeting held on the 23rd day of April, 2012, the City Plan Commission did consider and make recommendations on a certain request for zoning change, variances and detail plans made by **Winkelmann & Associates** and

WHEREAS, The City Council, after determining all legal requirements of notice and hearing have been met, has further determined the following amendment to the zoning laws would provide for and would be in the best interest of the health, safety, morals, and general welfare:

Now, therefore, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS, that:

Section 1.

Ordinance No. 4647 is hereby amended by approving a change in zoning from Planned Development (PD) District 81-61 to a Planned Development (PD) District for General Business Uses on a 7.088-acre tract of land located south of Marketplace Drive, east of Saturn Road and northwest of Centerville Road, and being more particularly described in Exhibit A, attached hereto and made a part hereof.

Section 2.

Development shall be in conformance with the Planned Development conditions, restrictions, and regulations set forth in Exhibit B, attached hereto and made a part hereof.

Section 3.

Ordinance No. 4647, as amended, shall remain in full force and effect, save and except as amended by this Ordinance.

Section 4.

Violation of this Ordinance shall be a misdemeanor punishable in accordance with Section 10.05 of the Code of Ordinances, City of Garland, Texas.

Section 5.

This Ordinance shall become and be effective on and after its adoption and publication as required by law.

PASSED AND APPROVED this _____ day of _____, 2012.

LEGAL DESCRIPTION

Zoning File 12-16

Being a 7.088-acre tract of land identified as Lot 2-A, Block A of Plaza South Addition as recorded in Volume 811252, Page 1274, of the Deed Records of Dallas County, Texas. The property is located south of Marketplace Drive, east of Saturn Road and northwest of Centerville Road.

ZONING FILE 12-16

South of Marketplace Drive, East of Saturn Road and Northwest of Centerville Road

Planned Development Conditions

- I. **Statement of Purpose:** The purpose of this Planned Development District is to permit the development of General Business Uses subject to conditions.
- II. **Statement of Effect:** This Planned Development shall not affect any regulation found in the Comprehensive Zoning Ordinance, Ordinance No. 4647, as amended prior to adoption of this ordinance, except as specifically provided herein.
- III. **General Regulations:** All regulations of the General Business (GB) District set forth in Section 25, 32 and 47 of the Comprehensive Zoning Ordinance are included by reference and shall apply, except as otherwise specified by this ordinance.

IV. Development Plans:

- A. Detail Plan: Development of Lots 3 and 4 shall be in general conformance with the Detail Plan identified as Exhibit C. Should there be any conflict between the Detail Plan and the written conditions below, the conditions shall prevail.

Approval of a Detail Plan is required for development of Lots 1 and 2, prior to issuance of a permit for construction.

V. Specific Regulations:

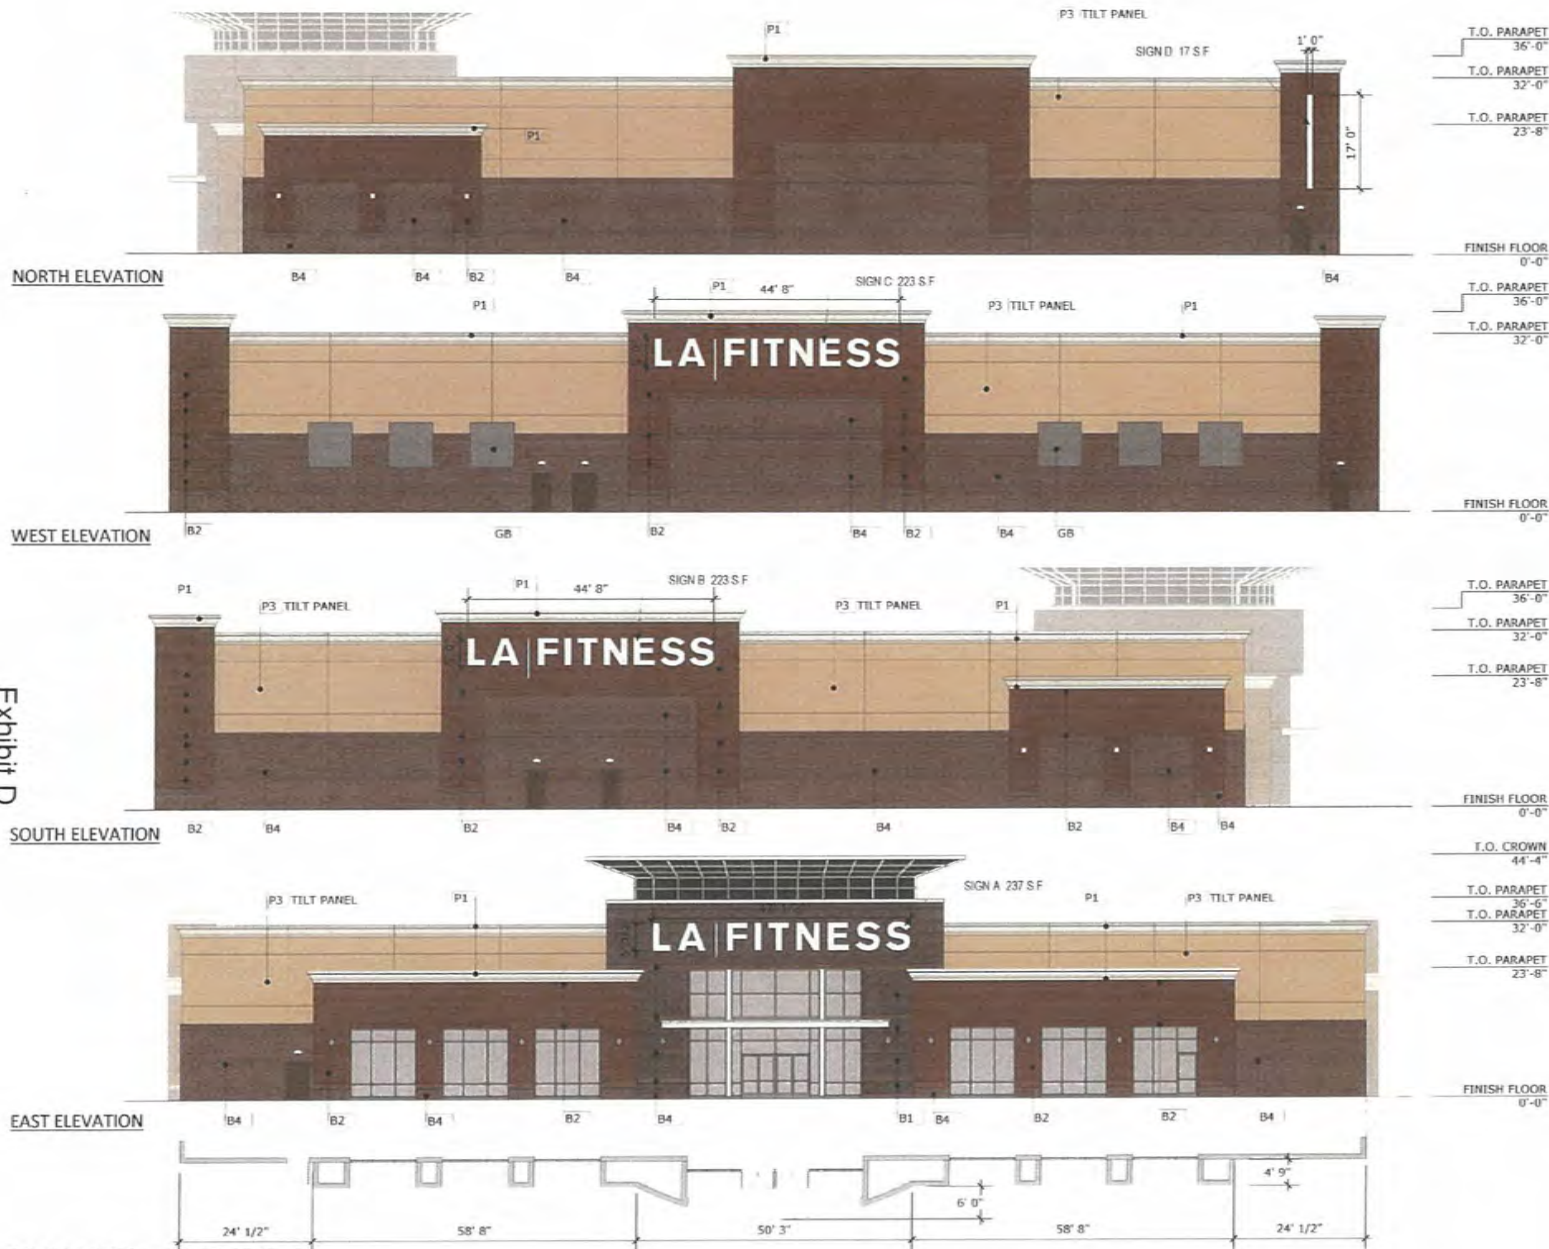

- A. Permitted Uses: Permitted uses are allowed as provided by the General Business District of the IH 635 Overlay, except the following uses shall not be permitted:

Tire Dealer, No Outside Storage
Transit Station
Wrecker Service (one)

Specific Use Permit: A Specific Use Permit for a Restaurant with Drive-Through is granted for Starbuck's (Lot 4) as depicted on the Detail Plan.

- B. Parking: The off-street parking requirement for the Athletic Club/Instruction (Lot 3) shall be 334 spaces. A total of 159 spaces may be provided in front of the building as depicted on the Detail Plan. Parking for development on Lots 1, 2 and 4 shall be provided as required in Zoning Ordinance 4647 and as depicted on the Detail Plan (Lot 4).

- C. Building Elevations: Building design and materials shall be in conformance with the elevations for LA Fitness (Exhibit D) and Starbuck's/Monarch (Exhibit E).
1. The LA Fitness building elevations shall be permitted up to 32% non-masonry material (textured tilt panel) as shown on Exhibit D.
 2. The number of permitted primary building facade materials shall be allowed to exceed two, and shall be as shown on Exhibits D and E.
- D. Location of Dumpster Enclosures: Dumpster enclosures shall be placed on Lots 3 and 4 as shown on the Detail Plan.
- E. Attached Signage: A total of 700 square feet of attached signage shall be permitted on the LA Fitness building, as depicted on the elevations (Exhibit D). Attached signage for the Starbuck's/Monarch building shall be in conformance with the IH 635 Development Standards.
- F. Freestanding Signage: One monument sign shall be allowed on the LA Fitness site (Lot 3) in the location along Saturn Road depicted on the Detail Plan, and of a size and height that conforms with the IH 635 Development Standards. The existing pole sign on the Starbuck's/Monarch site (Lot 4) shall be allowed to remain and be refaced.
- G. Landscape Buffer: The landscape buffer and buffer plantings required along both Saturn Road and Centerville Road shall be as shown on the Landscape Plan (Exhibit F).
- H. Building Height: Maximum building height of the LA Fitness building shall be 45 feet. Building height for all buildings shall be in conformance with the building elevations (Exhibits D and E).
- I. IH 635 Development Standards: The site shall comply with all regulations found in the IH 635 Development Standards Ordinance 5565 unless otherwise noted in these PD conditions.

Zoning Ordinance

Summary of Request/Problem

Zoning Ordinance 12-19 – Columbus Realty Partners Ltd.

Recommendation/Action Requested and Justification

Consider adoption of the attached ordinance.

Submitted By:

Neil Montgomery
Senior Managing Director of Development
Services

Approved By:

William E. Dollar
City Manager

ORDINANCE NO.

AN ORDINANCE AMENDING THE ZONING LAWS OF THE CITY OF GARLAND, TEXAS, BY APPROVING AMENDMENTS TO THE PLANNED DEVELOPMENT CONDITIONS AND APPROVAL OF A DETAIL PLAN ON A 3.998 ACRE TRACT OF LAND ZONED IN PLANNED DEVELOPMENT (PD) DISTRICT 02-25 FOR FREEWAY USES, LOCATED SOUTH OF FIREWHEEL PARKWAY AND EAST OF LAVON DRIVE; PROVIDING FOR CONDITIONS, RESTRICTIONS, AND REGULATIONS; AND PROVIDING FOR A PENALTY AND AN EFFECTIVE DATE.

WHEREAS, at its regular meeting held on the 23rd day of April, 2012, the City Plan Commission did consider and make recommendations on a certain request for zoning amendments, variances, and detail plan made by **Columbus Realty Partners, Ltd.**; and,

WHEREAS, The City Council, after determining all legal requirements of notice and hearing have been met, has further determined the following amendment to the zoning laws would provide for and would be in the best interest of the health, safety, morals, and general welfare:

Now, therefore, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS, that:

Section 1.

Ordinance No. 4647 is hereby amended by approving amendments to the Planned Development District conditions, variances and a Detail Plan for Multi-Family Uses on a 3.998 acre tract of land zoned Planned Development (PD) District for Freeway Uses located south of Firewheel Parkway and east of Lavon Drive, and being more particularly described in Exhibit A, attached hereto and made a part hereof.

Section 2.

Development shall be in conformance with the Planned Development conditions, restrictions, and regulations set forth in Exhibit B, attached hereto and made a part hereof.

Section 3.

Ordinance No. 4647, as amended, shall remain in full force and effect, save and except as amended by this Ordinance.

Section 4.

Violation of this Ordinance shall be a misdemeanor punishable in accordance with Section 10.05 of the Code of Ordinances, City of Garland, Texas.

FILE NO. 12-19

Section 5.

This Ordinance shall become and be effective on and after its adoption and publication as required by law.

PASSED AND APPROVED this _____ day of _____, 2012.

LEGAL DESCRIPTION

Zoning File 12-19

Being a 3.998-acre tract of land identified as Lot 1R, Block 8 and Lot 2R, Block 1 of Firewheel Center Addition, an addition to the City of Garland, Dallas County, Texas as recorded in Volume 2003247, Page 355, of the Deed Records of Dallas County, Texas. The property is located south of Firewheel Parkway and east of Horseshoe Drive.

PLANNED DEVELOPMENT REQUIREMENTS

File 12-19

- I. **Statement of Purpose:** The purpose of this Planned Development District is to permit a multifamily development in conjunction with the Firewheel Town Center regional shopping mall and complementary peripheral development, subject to approval of a Detail Plan with conditions consistent with this ordinance.
- II. **Development Design Intent:** The intent in the design is to create a mixed use development containing multifamily uses in conjunction with the existing regional destination shopping, dining, and entertainment center. The design intent of the mixed use development and town center as a whole is as follows.
 - A. An open-air, town center atmosphere at the core of the development will create a unique, pedestrian-oriented, mixed-use style of development that will set it apart from other shopping centers in the area.
 - B. The core of the development will feature pedestrian-friendly sidewalks, convenient parking, and carefully placed public areas such as courtyards and plazas that are capable of serving as gathering spots and display areas.
 - C. The core of the development will be linked through clearly legible vehicular and landscaped pedestrian pathways that connect to peripheral development within the district and are carefully integrated into the existing transportation systems and the surrounding environment.
 - D. The relationships between the pedestrian-oriented core, town-center and peripheral buildings, interconnected street and pathway systems, and surrounding community will be carefully planned and easily legible.
 - E. There will be a unifying architectural theme with respect to massing, façade details, materials and roof details, as well as language of design elements that will apply to all development within the District.
 - F. Convenient parking at the front of stores along the pedestrian-oriented, main-street area and elsewhere throughout the development will be landscaped and designed so as not to dominate the development, with comfortable and continuous pedestrian pathways connecting to all buildings and community gathering places within the development.
 - G. Landscaping within the development shall create and shape comfortable public spaces and traffic circulation patterns, but never to act as a barrier to pedestrian connections.
- III. **Statement of Effect:** This Planned Development District shall not affect any regulation found in the Comprehensive Zoning Ordinance, Ordinance No. 4647, as amended prior to the adoption of this ordinance, except as specifically provided herein.

IV. General Regulations: All regulations of the FW (Freeway) District as set forth in Sections 31 and 46 of the Comprehensive Zoning Ordinance, Ordinance No. 4647, are included by reference and shall apply except as otherwise specified in this ordinance.

V. Development Plans:

- A. Detail Plan: Development shall be in conformance with the Detail Plan (Exhibit C) set forth by these requirements (File 12-19), including all attachments referenced herein.
- B. The Director of Planning shall have authority to review models, mockups, paint and finish colors, and materials selection for the entire development prior to, during construction, and after completion, and require changes as necessary and appropriate.

VI. Development Design Principles and Guidelines:

A. Design Principles

- 1. **Mixed-Use:** The town center district shall provide a mixed-use development containing multifamily, retail, and restaurant uses to accompany the variety of shopping, dining, entertainment, and other commercial functions of the town center development. Uses within the town center development should be compatible and complementary with one another in scale and relationship to the street. Uses that serve both community and regional demand may be established. Uses may change within a building both horizontally and vertically.
- 2. **Public Space:** The streets are the most important public space within the development and the building massing and orientation shall reinforce and enhance the streetscape by creating quality public spaces and pedestrian corridors.
- 3. **Street Walls/Facades:** To achieve a quality public space, the buildings along a street shall compose a suitable street wall. Building facades shall be articulated to create a human scale and provide visual interest. A distinction between ground floors and upper floors shall be established. The street façade shall be permeable, with accessible pedestrian paths into and through buildings, providing access from the Main Street Area and any other parking areas.
- 4. **Street Aesthetics:** The Main Street Area of the town center development should be recognized as the primary public space. Its design and appearance shall reflect the importance of this space through the use of materials, street trees, lighting, signs and information systems, landscaping, furnishings, furniture and parking.
- 5. **Street Pattern:** The street pattern shall be highly connected within the development and to the surrounding street pattern. Continuous, clearly legible, vehicular and pedestrian pathways shall

be established from the perimeter to the core of the district. Buildings, plazas, squares, traffic calming devices and other landmarks shall be used to provide legibility and character to the street pattern within the District.

6. **Parking Areas:** Parking areas shall be designed to mitigate conflicts with adjacent streets, to manage traffic circulation into and throughout the parking area, to avoid large expanses of pavement, and to provide safe and comfortable pedestrian pathways through and around parking areas. Internal circulation shall be well defined. Large parking areas shall provide adequate pedestrian circulation within the site.

B. Design Guidelines

1. Building Design:

- There shall be a unified architectural theme used for all buildings within the Core Building Area of the town center development.
- Buildings in the peripheral development area of the town center shall be architecturally compatible with the theme of the Core Building Area.
- Buildings shall incorporate "four sided" architectural designs.
- Blank walls shall be avoided within the District.

2. Building Orientation:

- Buildings shall create coherent and well shaped public space next to it.
- Buildings shall also be placed to shield large parking areas from interior streets.
- Entries of buildings shall be directly connected to the street and large parking areas.

3. Building Materials:

- Exterior building materials and colors must be aesthetically pleasing and in keeping with a unified architectural theme within the District.
- Buildings shall be constructed of durable and long lasting materials.

4. Building Height and Roof Line:

- Building height and roof lines shall be in keeping with a unified architectural theme within the District.

- Roof lines shall be variable in terms of shape, pitch, materials, and height in order to avoid long expanses of flat, similar roof lines.
5. Building Lines and Set Backs:
- Buildings shall be placed to create well-shaped pedestrian spaces and a sense of continuity and unity along a street.
6. Public Spaces:
- Public spaces shall be well designed and prominently located in close proximity to buildings within the District.
 - Public spaces shall be designed for the comfort of pedestrians.
 - Public spaces may be designed as terminal views for streets and pedestrian pathways.
7. View Corridors:
- Buildings and streets shall be designed so that views are maintained of landmarks and distinctive buildings in the District from adjoining perimeter roads.
8. Parking Areas:
- Parking areas shall be subdivided so as to avoid large expanses of pavement.
 - Parking areas shall be provided with direct pedestrian connections to buildings and streets.
 - Parking areas shall be attractively landscaped.
9. Paving Materials:
- Paved surfaces shall be constructed of durable and long lasting materials.
 - Paving materials shall be in keeping with a unified architectural theme within the District.
 - Paving shall be articulated through changes in surface materials.
10. Street Trees:
- Street trees shall be placed to provide comfortable pedestrian pathways and to help define streets and other vehicular pathways.
 - Street trees shall be a type that provides height and shade.

11. Pedestrian Pathways:

- Sidewalks, pedestrian and other pathways shall be comfortable, continuous, connected and wide enough to allow pedestrian passage between street amenities and building face.

12. Screening:

- Screening of loading and docking facilities, trash receptacles, outdoor storage areas and other accessory uses shall be done in keeping with a unified architectural theme within the District.

13. Landscaping:

- Landscaping within the District is an important element in the unified design theme of the district.
- Landscaping shall be used to manage and guide vehicles and pedestrians and to create aesthetically pleasing public spaces.

14. Lighting:

- Parking lot lighting shall be designed and placed to provide safety and comfort while preventing the upward diffusion of light.
- The specifications of light fixture shall be uniform in streets and parking areas and compatible with the architectural theme of the District.
- The use of accent lighting is encouraged on all buildings and amenities

15. Signs:

- Signs within the District are an important element in the unified design theme of the District.
- Signs shall be designed so as to safely and effectively direct the movement of vehicles and pedestrians within the District.
- Signs shall be designed and placed within the District to provide a minimum disruption of views into and within the District.

VII. Specific Regulations:

- A. Permitted Uses: Only the following uses shall be permitted:

Multi-Family Dwelling

Ancillary uses to the multi-family dwelling, including but not limited to: parking structures, leasing office, amenity spaces, swimming pools, and related outdoor areas.

B. Multi-Family Component

1. The proposed multi-family development shall be permitted no more than 282 residential units at a maximum density of 71 units per acre. No more than 32 of the units shall be efficiency units.

The one-bedroom apartments shall be a minimum of 600 square feet. The two-bedroom apartments shall be a minimum of 1,050 square feet. The efficiency units shall be a minimum of 495 square feet. All units shall be apartments for rent.

2. The minimum roof pitch ratio shall be 4:12.
3. The maximum height of the multi-family buildings shall be 65 feet from finish floor elevation.
4. The minimum required parking for the multi-family component shall be at a ratio of one (1) space per bedroom.
5. Roof mounted air conditioning equipment shall be permitted and screened accordingly with these Planned Development Conditions and SH 190 Development Standards. Roof mounted air conditioning equipment shall be on the interior slope of the courtyards, not visible from any public right-of-way or area.
6. The multifamily complex shall not be required to provide an enclosed storage facility for each dwelling unit which has direct access provided from the unit. The storage facilities that are provided shall be no less than 2,300 square feet, total, as shown on the Detail Plan. These units shall be conveniently accessible to residents.
7. Each dwelling unit shall not be required to have individual security systems; however, all entry and exit points shall be controlled access.
8. The multi-family building shall be placed at an angle of 90 degrees to all four property lines. The multi-family building shall have elevation enhancements to minimize the appearance of a long monotonous building alignment. The exterior building elevations shall be as illustrated in Exhibit E, Elevations.

C. Building Materials

1. A mixture of masonry, including brick and cast stone, as well as stucco and cementitious panels or boards, for the exterior of the structures. In total, the buildings' perimeter façade shall be no less than 45 percent masonry. Stucco, cast stone, and cementitious panels or boards will make up the remainder of the exterior. Exterior building elevations and materials are illustrated in Exhibit E, Elevations.
2. There shall be no less than two and no more than four basic materials in addition to glass used on any single building, one of which shall be masonry. The requirement regarding the maximum

number of building materials shall not apply to the store front of a building. The store front is generally defined as the primary public entrance, but can include expanses of adjacent walls that are similarly treated.

3. The use of painted block (standard or split face) is prohibited on exterior building walls and on screening walls. These provisions shall apply to any wall surface which is not screened from ground level public view.
4. If the wall of a building is screened from ground level public view, requirements regarding building materials shall not apply. If the building wall is partially screened, tilt wall construction may be permitted subject to approval of the Planning Director. The use of landscaping as a screen will be considered subject to approval of the Planning Director.

C. Building Design

1. All buildings shall have the working drawings required for a building permit prepared by an architect registered in the State of Texas.
2. All building improvements constructed within the property shall employ "four-sided architecture"; comparable materials shall be used on all exposed sides of a building and no lesser quality materials shall be used for the rear or any side of a building unless such side is screened from ground level view from a street or parking lot by another building or building wing or a screening wall of sufficient height to screen nonconforming materials.
3. All rooftop equipment shall be screened from ground level public view by locating the equipment on the interior slope of the roof, facing the internal courtyards, with screening. The equipment and screening shall not project above the roof ridge.
4. Architectural designs should incorporate the use of pilasters, quoins, projected awnings (plastic, high gloss or backlit awnings are prohibited), solid canopies, bay windows, towers or other architectural features which encourage diversity and articulation of wall surfaces; roof lines should be in keeping with the coordinated architectural theme and variable in terms of shape, pitch, materials and height, in order to avoid long expanses of flat similar roof lines.
5. No outdoor trash containers or freestanding trash container enclosures shall be permitted on the tract. All trash containers shall be contained within the parking garage structure.
6. Buildings shall incorporate lighting and changes in mass, surface, or finish to give emphasis to entrances.
7. Balconies may project over pedestrian walkways and setbacks.
8. The top floor of any building shall contain a distinctive finish, consisting of a cornice or other architectural termination, as illustrated in Exhibit E, Elevations.

9. The back of a building may not face Firewheel Parkway unless said building is designed with four-sided architecture.

D. Building Setbacks

1. All buildings shall be setback a minimum of 30 feet from the south property line, a minimum of 20 feet from the north property line, and a minimum of 10 feet from the east and west property lines, as illustrated in the Detail Plan. The applicant requests a variance from Section 34.19 to allow for the placement of the structure within the above setbacks and as shown on the Detail Plan.
2. All other setbacks shall be as set forth in the Comprehensive Zoning Ordinance and the S.H. 190 Development Standards.

E. Signage

1. Detached signage, including but not limited to monument and pylon signs, shall not be permitted on the site. Awning and blade (projecting) signs are permitted.
2. No temporary (other than for lease/tenant announcement) or painted sign, paper sign, flag, banner or streamer shall be permitted at any time.
3. Attached signage shall be allowed on no more than three sides of a building and shall be limited to one per street frontage for the purpose of property identification.
4. Attached signage is limited to the first story only. Supplemental decorative second story (or above) signage shall not be permitted.
5. An attached sign shall have a maximum sign area of one-half times the width of the building width with a maximum area of thirty-five (35) square feet.

F. Glare and Illumination

1. The color and style of all poles and fixtures shall be uniform and compatible with the architecture of the buildings on-site and within the Town Center as a whole.
2. Lighting levels shall be a minimum maintained value of 1.5 foot-candles anywhere within paved surface areas of parking lots. The maximum maintained value anywhere within paved surface areas of parking lots shall not exceed 15 foot-candles. There shall be no minimum for areas which are not paved surfaces of parking lots. Illumination shall be uniformly distributed throughout the lighted area at a maximum-to-minimum uniformity of 5:1. Illumination from building mounted luminaries and façade floodlighting luminaries shall not be included in determining foot-candle values. Requirements only apply during hours of operation.

G. Parking and Loading Areas

1. Section 34.23 (B)(a) of the Development Standards for S.H. 190 shall not apply. Driveway design shall be as shown on the Detail Plan.
2. The required parking spaces for the multi-family use shall be regulated by the ratio of one (1) parking space per bedroom. Parking shall be provided as set forth in the Detail Plan. No less than 341 spaces shall be provided within a structured parking garage and 28 angled street spaces shall be provided.
3. Wheel stops shall not be used within this Planned Development except within handicapped parking stalls or other incidental uses.
4. The loading areas indicated on the south portion of the property shall consist of a surface loading area of concrete or other appropriate paving material, delineated by unique color, pattern, material, or design. The applicant requests a variance from the screening requirements contained in Section 34.20 of the S.H. 190 Development Standards to eliminate the requirement for screening of these loading areas.

H. Height Restrictions

1. The maximum height of shall be 65 feet from finish floor elevation.
2. Private yards located along Firewheel Parkway may be enclosed with decorative metal fencing not to exceed five feet (5') in height.

I. Paving Materials

1. The parking areas may be constructed with asphalt pavement.
2. Sidewalks and pedestrian crossings shall be provided as illustrated on the Detail Plan. All paving shall meet applicable city codes with regard to construction.
3. All sidewalks and pedestrian scale amenities shall be treated in a uniform manner consistent with the theme of the core of the town center throughout the property and the Town Center as a whole.

K. Lot Coverage

The maximum coverage by buildings for any lot within this development shall be 65 percent.

L. Screening and Landscaping

1. Screening and landscaping shall conform to that illustrated on the Landscaping Plan, Exhibit D. The landscape buffer along Firewheel Parkway shall be a minimum of 20 feet in width from back of curb. A public pedestrian sidewalk and private fenced yard may extend into the landscaping buffer.

2. Street tree plantings are required along the perimeter of the tract, with a staggered row of trees along Firewheel Parkway. The trees shall be placed at a maximum of fifty (50) feet on center. Street trees shall not be placed within the public right-of-way without a License Agreement. Street trees shall meet the standards for Street Trees found within the SH 190 Overlay Standards.
3. All landscape plans shall be prepared by a landscape architect licensed to practice in the State of Texas.
4. The required screening for all on-site parking areas shall be a minimum of two (2) feet in height at the time of installation and shall be maintained in a manner to ensure that the maximum height of this screening shall be no more than four (4) feet.

M. Alternative Compliance

Where unique natural features such as soil characteristics, topography, geological characteristics, water features, and significant vegetation; or peculiarly-shaped building sites; or location of existing structures and other built features on the site inhibit creative site design or pose unnecessary constraints to appropriate development as a result of strict compliance with the requirements set forth herein, the Director of Planning may approve alternative plans upon determining that such plan meets the intent of these standards and meets or exceeds a plan in strict compliance. If the Director of Planning determines that alternative compliance is not applicable, a request for an exception or variance will be handled as an amendment to the Planned Development, subject to the procedures outlined in Section 34 of the Comprehensive Zoning Ordinance.

Zoning Ordinance

Summary of Request/Problem

Zoning Ordinance 12-20 – Barclay Construction

Recommendation/Action Requested and Justification

Consider adoption of the attached ordinance.

Submitted By:

Neil Montgomery
Senior Managing Director of Development
Services

Approved By:

William E. Dollar
City Manager

ORDINANCE NO.

AN ORDINANCE AMENDING THE ZONING LAWS OF THE CITY OF GARLAND, TEXAS, BY APPROVING AMENDMENTS TO THE PLANNED DEVELOPMENT CONDITIONS AND APPROVAL OF A DETAIL PLAN ON A .8161 ACRE TRACT OF LAND ZONED IN PLANNED DEVELOPMENT (PD) DISTRICT 03-22 FOR OFFICE USES, LOCATED AT THE NORTHEAST CORNER OF JUPITER ROAD AND COLLINS BOULEVARD; PROVIDING FOR CONDITIONS, RESTRICTIONS, AND REGULATIONS; AND PROVIDING FOR A PENALTY AND AN EFFECTIVE DATE.

WHEREAS, at its regular meeting held on the 23rd day of April, 2012, the City Plan Commission did consider and make recommendations on a certain request for zoning amendments and a detail plan made by **Barclay Construction**; and,

WHEREAS, The City Council, after determining all legal requirements of notice and hearing have been met, has further determined the following amendment to the zoning laws would provide for and would be in the best interest of the health, safety, morals, and general welfare:

Now, therefore, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS, that:

Section 1.

Ordinance No. 4647 is hereby amended by approving amendments to the Planned Development District conditions and a Detail Plan on a .8161 acre tract of land zoned Planned Development (PD) District for Office Uses located at the northeast corner of Jupiter Road and Collins Boulevard, and being more particularly described in Exhibit A, attached hereto and made a part hereof.

Section 2.

Development shall be in conformance with the Planned Development conditions, restrictions, and regulations set forth in Exhibit B, attached hereto and made a part hereof.

Section 3.

Ordinance No. 4647, as amended, shall remain in full force and effect, save and except as amended by this Ordinance.

Section 4.

Violation of this Ordinance shall be a misdemeanor punishable in accordance with Section 10.05 of the Code of Ordinances, City of Garland, Texas.

FILE NO. 12-20

Section 5.

This Ordinance shall become and be effective on and after its adoption and publication as required by law.

PASSED AND APPROVED this _____ day of _____, 2012.

LEGAL DESCRIPTION

Zoning File 12-20

Being a 35,551 square feet or a 0.816 acre tract of land situated in the D. Crumpaker Survey, Abstract No. 258, City of Garland, Dallas County, Texas, said tract being part of Lot 2, Block 1 of Heritage Square Animal Center Addition, an addition to the City of Garland, Dallas County, Texas according to the map thereof recorded in Volume 2003220, Page 149, Deed Records of Dallas County, Texas and said tract conveyed to Han Korn Scales JV deed recorded in Volume 84035, Page 1824, Deed Records of Dallas County, Texas, and being more particularly described as follows:

BEGINNING at a point for a corner at the intersection of the east line of N. Jupiter Road (a 100 foot right of way) with the north line of Collins Boulevard (a variable width right of way), said point being the southwest corner of said Lot 2;

THENCE, N 00°22'00" W, with the east line of N. Jupiter Road, a distance of 140.00 feet to a point for a corner;

THENCE, N 89°38'00" E, departing the east line of N. Jupiter Road and crossing said Lot 2, a distance of 264.80 feet to a point for a corner in the east line of said Lot 2, said point being in the west line of Lot 1, Block 1 of Springs Meadow Phase 3 as recorded in Volume 86100, Page 2553, Deed Records of Dallas County, Texas;

THENCE, the following courses and distances with the common line of said Lot 2 and Lot 1:

- S31°45'00" E, a distance of 40.36 feet to a point for a corner;
- S 27°39'00" W, a distance of 57.60 feet to a point for a corner;
- S 53°22'00" W, a distance of 45.90 feet to a point for a corner;
- S 35°21'00" W, a distance of 26.47 feet to a point for a corner in the north line of Collins Boulevard, said point being the southeast corner of said Lot 2 and the beginning of a non-tangent curve to the right with a central angle of 09°04'04", a radius of 484.16 feet, a chord bearing of S 85°06'03" W and a chord distance of 76.54 feet;

THENCE, Southwesterly, with the north line of Collins Boulevard and along said curve, an arc distance of 76.62 feet to the point of tangency;

THENCE, S 89°38'00" W, continuing with the north line of Collins Boulevard, a distance 130.00 feet to the Point of Beginning.

PLANNED DEVELOPMENT CONDITIONS

ZONING FILE 12-20

North Corner of Jupiter Road and Collins Boulevard

- I. **Statement of Purpose:** The purpose of this Planned Development District is to permit a Medical Office/Clinic subject to conditions.
- II. **Statement of Effect:** This Planned Development District shall not affect any regulation found in the Comprehensive Zoning Ordinance, Ordinance No. 4647, as amended prior to adoption of this ordinance, except as specifically provided herein.
- III. **General Regulations:** All regulations of the Office-1 (O-1) District as set forth in Section 20 of the Comprehensive Zoning Ordinance are included by reference and shall apply, except as otherwise specified by this ordinance.
- IV. **Development Plans:**
 - A. Detail Plan: Development shall be in general conformance with the Detail Plan. (Exhibit C)
- V. **Specific Regulations:**
 - A. Permitted Uses: No uses shall be permitted except for the uses listed under the Office-1 (O-1) District in Section 20 of the Comprehensive Zoning Ordinance.
 - B. Screening and Landscaping: Screening and landscaping shall be in general conformance with the approved landscape plan labeled Exhibit D. The landscaping shall comply with the Screening and Landscape Standards, with the exception of the landscape buffer along Jupiter Road which shall have a minimum depth of seven feet.
 - C. Exterior Elevations: The exterior elevations of the building shall be provided as generally shown on the exterior elevations plan. (Exhibit E).
 - D. Signage: The monument sign shall be provided as generally shown on the landscape plan labeled Exhibit D.
 - E. Screening: No screening shall be required along the east property line due to the natural vegetation along the creek accomplishing the intent of Section 6.1.1 of the Screening and Landscape Standards.
 - F. Pedestrian and Utility Easement: The ten-foot pedestrian and utility easement required by Section 1.3.1.1 of the Traffic Management Standards along Jupiter Road shall not be required.
 - G. Utilities: All utilities on site shall be underground.

North-South Bikeway – CIP Engineering Services Contract

Summary of Request/Problem

The 2012 approved Capital Improvements Program includes funding to design and construct a bikeway from the north city limits to the south city limits.

Staff has negotiated a contract with a local firm, BW2 Engineers, Inc., to design the off-road portions of the bikeway for an estimated amount of \$181,400.

The improvements will include a concrete bikeway complete with two (2) bridge crossings over Duck Creek.

Recommendation/Action Requested and Justification

Approve by minute action authorizing the City Manager to execute the proposed contract.

Submitted By:

Michael Polocek, P.E.
Director of Engineering

Approved By:

William E. Dollar
City Manager

ENGINEERING SERVICES CONTRACT

Duck Creek Trail Connections Project

This Engineering Services Contract ("Contract") is made and entered by and between the City of Garland, Texas (the "City") and BW2 Engineers, Inc. (the "Engineer")

Section 1. Scope of Project.

Provide Professional Engineering Design services for the construction of a concrete multi-purpose recreational trail, designed to AASHTO standards, complying with Texas Accessibility Standards, and meeting those conditions as outlined by the City with regard to North Central Texas Council of Governments Regional Toll Revenue funding agreement.

This trail project has two distinct segments. The first segment is referred to as the "Garland-Mesquite Connector". This trail is approximately 2,400 feet in length and generally traverses from the northwest corner of westbound IH-30 frontage road and Greenbelt Parkway southerly under the IH-30 bridge over Duck Creek, and then crosses Duck Creek south of IH-30. The Duck Creek crossing will include an approximate 100-foot long pedestrian bridge.

The second project segment is referred to as the "Duck Creek Drive - Glenbrook Connector". This trail is approximately 2,000 feet in length and generally traverses from Duck Creek Drive (south of Centerville), northerly and crosses over Duck Creek south of Centerville, then meanders northerly to Glenbrook and terminates at Lon Wynne Park. The Duck Creek Crossing will include an approximate 200 feet long pedestrian bridge with a center span support.

Estimated Design Fee: \$181,400

Section 2. Description of Services.

BASIC SERVICES

(A) Conceptual Layout Phase:

For the Conceptual Layout Phase of the project, Engineer shall:

- (1) Attend a preliminary conference with the City to review the anticipated alignment of the project, potential issues affecting design, cost impacts, coordination issues, etc.
- (2) Perform a field visit of each project location, review existing site conditions, and take site photographs.
- (3) Utilizing aerial maps provided by the City, prepare a conceptual layout of the anticipated trail alignment for each of the two project locations. Include two alternative alignments for each project.
- (4) Review property ownerships and available tax records in relation to the anticipated trail alignments and adjust alignments as needed.
- (5) Evaluate feasibility of each alternative for each project and prepare a summary of issues, impacts and other evaluation criteria for review.

(B) Preliminary Phase:

For the Preliminary Phase of the Project, Engineer shall:

- (1) Arrange and attend preliminary conferences with interested parties regarding the project including, but not limited to, the various utility services of the City, including but not limited to Atmos Energy, ONCOR Electric, AT&T, Verizon, Garland Power and Light, North Texas Municipal Water District, Time Warner, and GISD as necessary to complete the preliminary design.
- (2) Review previously prepared construction plans, land records, or other pertinent documents on file in the Engineering Department of the City and other appropriate agencies.
- (3) Utilize the conceptual layout prepared in the Conceptual Layout Phase, add general utilities and drainage structure locations, property lines and owners and submit in City approved Autocad or MicroStation format as well as a hard copy.
- (4) Prepare a preliminary engineering report for the project in sufficient detail to indicate generally the problems involved and alternate solutions available to the City. The report shall include, but not be limited to, the items contained in the Project Checklist included in Appendix "A" of this contract. A copy of the completed Project Checklist must be included in the preliminary engineering report. The report shall contain schematic layouts, sketches, or conceptual design criteria with appropriate exhibits, all in sufficient detail to indicate clearly the considerations involved including, but not limited to, construction cost, existing and proposed rights-of-way or easements, constructability, significant stands of trees or other natural features, floodplain locations, city and franchise utility locations, investigation and analysis of all federal and state permits, and maintenance of traffic flow or other City services during construction. The report shall also include opinions of probable costs for the project and the recommendations of the Engineer. Include in the preliminary engineering report, a preliminary drainage area map showing drainage areas, run-off coefficients in accordance with the type of City zoning, major points of concentration, size of area in acres, and the calculated quantity of run-off at each point of concentration in cubic feet per second.
- (5) Furnish the City two (2) copies of the preliminary data, including preliminary layouts and cost estimates.
- (6) Recommend to the City in determining a final alternative for the design phase. Following the submittal of the preliminary engineering report, a plan review conference will be held to discuss and review the report. The Engineer will make necessary corrections and revisions resulting from the plan review conference and submit two (2) sets of Preliminary Plans to the City for review for substantial completion.

(C) Surveying Phase for Design and Construction:

In preparing and executing surveys for the design and construction of the project, the Engineer shall:

- (1) Establish permanent monumentation for horizontal and vertical project control. The project shall be tied to the North Central Zone (4202) Texas Coordinate System of 1983, (NAD83 96, EPOCH 2002.000), using City established control monuments. NAVD88 datum shall be utilized for vertical control using National Geodetic Survey/Continuously Operating Reference Station (NGS/CORS) monuments or City of Garland geodetic monuments as specified and directed by the City Surveyor. At the discretion of the City Surveyor, static GPS control may be approved.
 - A) Locate right-of-way lines and corners, property lines and corners, buildings, fence lines, trees 3 inches in diameter and larger, edges of pavements and all other visible surface features with respect to the project control baseline. Existing utility structures shall be located and referenced by utility name (e.g. ONCOR Electric, TXU Gas, Verizon, Etc.)
 - B) Vertical topographic information tying pavement, drives, walls, manholes (top and inverts), storm drain inlets (top and inverts), and other improvements as needed within the project areas for the design.
 - C) Include additional topographic creek cross sections of Duck Creek (up to 4 per project location) as required by hydraulic engineer for use in hydraulic modeling of Duck Creek for pedestrian bridge.
- (2) Research City, County, State, or other documents as necessary, and establish the location of existing boundary lines and easements for the project. Furnish copies of all real estates documents to the City.
- (3) In cooperation with the City and other franchised utilities, determine the locations and elevations of existing underground utilities. In particular, locations of major underground franchise facilities shall be shown in all profiles.
- (4) Incorporate aerial, topographic, and planimetric survey data provided by the City.

(D) Design Phase:

For the design phase of the project, Engineer shall:

- (1) Establish the scope of any soil foundation investigations or any special surveys and tests which, in the opinion of the Engineer, may be required for a proper design of the project and arrange for such work to be done, after approval by the City, at the City's expense.
- (2) Furnish to the City the engineering data necessary for applications for routine permits by local, state, and federal authorities (as distinguished from detailed applications and supporting documents for government grant-in-aid or for planning advances).
- (3) Prepare detailed specifications and contract drawings for the project. This may include, but shall not be limited to, separate sheets for the following:

Title Sheet with Index and Project Location
Project Layout

R.O.W. Map indicating all existing and proposed R.O.W. & prepare a right-of-way deed map showing the existing right-of-way, lot numbers, subdivision names, volume and page of recorded instruments, street names, and existing proposed rights-of-way and easements for the project.

Typical Sections

Prepare Control/Geometric Layout indicating monuments found and set, the relationship of the project baseline or centerline to the monuments, and the benchmarks used and/or set.

Demolition Plan **(if needed)**

Bid Item Quantities listed by sheet number and project total

Earthwork Summary

Roadway Plan & Profile

Intersection Layouts **(N/A)**

Construction Sequencing and Traffic Control (Utilities) **(if needed)**

Construction Sequencing and Traffic Control (Paving) **(if needed)**

Final Pavement Markings

Storm Water Pollution Prevention or Erosion Control Plans

Water Line Plan; and Profile (12" or larger) **(N/A)**

Sanitary Sewer Plan and Profile **(N/A)**

Drainage Area Map

Run-off Computations

Inlet and Storm Sewer Computations

Storm Sewer Plan & Profile

Culvert Layouts (Plan & Profile)

Storm Lateral Profiles

Drainage Details

Technical Specifications and/or Special Provisions for the project

Retaining Wall Layouts & Details

Roadway Cross-Sections at 50 feet intervals and the centerline of driveways.

Channel Cross-Sections **(as required for hydraulic modeling)**

Horizontal and vertical utility locations **(if needed)**

All Construction Details

All contract drawings shall be submitted on 22" x 34" ('D' size) film mylar sepias **and** in City approved Autocad or Microstation format. Prior to the start of design, the City should approve the format. The Engineer shall correlate pay items on drawings with City of Garland Standard pay items in the contract proposal.

- (4) During development of specifications the Engineer shall place primary reliance on the Standard Specifications for Public Works Construction -North Central Texas - issued by the North Central Texas Council of Governments, and the City's "Public Works Design Guidelines". During development of contract drawings, the Engineer shall place primary reliance on City approved standard drawings and bid items, (copies of which are available at the Engineering Department, the Texas Manual on Uniform Traffic Control Devices, and the Storm Water Quality Best Management Practices for Construction Activities as supplied by the North Central Texas Council of Governments). The Engineer shall develop the specifications and contract drawings in accordance with all Federal, State, or City specifications or regulations.

- (5) A Registered Professional Land Surveyor (RPLS) must prepare, seal and sign the project Right-Of-Way Map(s) with a certification stating that the survey conforms to the minimum standards set forth by the Texas Board of Professional Land Surveying. All monuments located within the project corridor during the course of the survey must be illustrated on the right-of-way map with a project station and offset or coordinates that relate to the project control, whether or not such monuments are used for analysis and/or construction of the project Right-Of-Way. All monuments placed or perpetuating found objects must be reported to the minimum technical standards of the Texas Board of Professional Land Surveying ("TBPLS").
- (6) Prepare all necessary property descriptions and 8 1/2 X 11-inch exhibits for needed additional right-of-way and easements. All descriptions and exhibits must conform to the minimum technical standards of the TBPLS and the requirements of the City Surveyor. Right-of-way and easements shall be delineated on and cross-referenced to the appropriate plans and profile sheets. The plan and profile sheets shall clearly indicate all private property that is in conflict with the proposed construction. Two (2) copies of each document sealed by a Texas Registered Professional Land Surveyor shall be submitted. For this project, the number of right-of-way or easement parcels to be compensated for under Basic Services, Section 5(A), shall not exceed five (5). Parcel descriptions beyond this number will be compensated at a rate of \$800 per parcel.
- (7) Submit four (4) sets of preliminary plans to the City.
- (8) Prepare and include in plans detailed construction signing and barricade plans for traffic control and safety (if needed). Primary reliance shall be placed in the Texas Manual for Uniform Traffic Control Devices. Provisions for construction phasing shall be included.
- (9) Prepare and Include Storm Water Pollution Prevention Plan (SWPPP) in accordance with the "Storm Water Quality Best Management Practices for Construction Activities" Manual as distributed by the North Central Texas Council of Governments.
- (10) Include appropriate provisions for trench safety as determined by a soil investigation report prepared by separate geotechnical engineers.
- (11) Revise and resubmit copies as needed upon review and comment by the City.
- (12) Prepare a detailed Opinion of Probable Cost.
- (13) Prepare and furnish to the City a mylar copy and five (5) prints of approved plans, specifications and proposal forms using City-approved documents.
- (14) Attend Pre-Bid and Pre-Construction Conferences and assist the owner as needed to interpret, clarify, or expand the bid documents. Issue addenda as needed.
- (15) Provide computer disks of the completed project files in approved Autocad or MicroStation format to the City.
- (16) ***Submit all necessary documentation for review/approval required by any federal and/or state agency and obtain any permits that may be required.***

Federal and state agencies may include but not be limited to Texas Department of Licensing and Regulation, Texas Department of Transportation, Federal Emergency Management Agency, Texas State Historical Society, Environmental Protection Agency, Texas Commission for Environmental Quality, etc. Assist the City in obtaining approval under any federal or state general permits that may apply.

(17) Right-of-Way strip map is subject to review by the City Surveyor.

(E) Construction Phase:

For the construction phase of the project, Engineer shall:

- (1) Provide complete horizontal and vertical control, which, in the opinion of the City, is adequate for the eventual contractor to re-establish the horizontal and vertical control network for the project.
- (2) Provide limited construction phase engineering assistance. When requested by the City, the Engineer will visit the site and consult with the City and the contractor to resolve unusual or unexpected construction problems. The Engineer shall conduct a final project inspection with the City and prepare recommendations concerning items that the Engineer observes during the final inspection that require additional work or adjustment. Provide written responses to request for information on clarifications.
- (3) Review the contractor's shop drawings and related submittals with respect to the applicability of the detailed work, when complete, to be a properly functioning integral element of the project designed by the Engineer.
- (4) ***After final acceptance of construction by the City, and at the discretion of the City, the Engineer shall require an RPLS:***
 - (a) ***Establish "permanent" survey monumentation for control throughout the project***
 - (b) ***Establish right-of-way corridor permanent monumentation at all control points, points of intersection or deflection, points of curvature, points of tangency and intersecting street/block corners.***
 - (5) ***Definitions:***
 - (a) ***"Permanent" survey monumentation is described as a 3-1/4" aluminum domed top disc for 5/8" rebar (Berntsen #RBD5325) set in concrete per City specifications.***
 - (b) ***Control monumentation shall bear the inscription "CONTROL".***
 - (c) ***Right-of-Way monumentation shall bear the inscription "RIGHT-OF-WAY".***
- (6) Prepare Record Drawings based upon mark-ups and information provided by the City Inspector. Submit the Record Drawings with the as-built changes noted and the date and signature of the Engineer in PDF format to the City Inspector. The page size shall be 22" x 34" with a minimum resolution of 300 dpi. The PDF's must be free from objectionable background, rotated properly and stored in a separate folder on the CD/DVD. The submittal shall also include the record drawings in an Autocad or Microstation format

ADDITIONAL SERVICES

(E) Hydraulic Engineering:

Floodplain hydraulic modeling services to be performed by subconsultant, Nathan D. Maier Consulting Engineers. These services will generally include:

- Pre-project analysis to include acquiring the effective hydraulic model for Duck Creek, updating the effective models using newly acquired topographic data, preparation of a floodplain work map, development of a post-project hydraulic model that reflects the proposed bridges and preparation of a letter report.
- LOMR Application to include review of the as-built conditions of the project to determine if any remedial grading is required and developing the necessary documents, forms and exhibits for a LOMR-F request. Coordinate with the City and FEMA.

(F) Geotechnical Engineering:

Geotechnical investigations services are to be performed by subconsultant, STL Engineers. These services will generally include:

- Provide labor and equipment to drill and sample two borings at each bridge location (total of 4) to a depth of 40 feet or 10 feet into competent limestone.
- Visually classify samples and perform laboratory tests to determine engineering characteristics.
- Prepare a report of test results and foundation recommendations.

(G) Environmental Engineering:

Environmental investigations services are to be performed by subconsultant, IES Consulting Engineers. These services will generally include:

- Completion of necessary research, meetings, site visits, documentation, responses and surveys to comply with NCTCOG Environmental Review for this RTR-Funded "Off-System" project.

Section 3. Time of Completion.

The prompt completion of this project is critical to the progress of the City of Garland Capital Improvements Program. Unnecessary delays to the project shall be grounds for dismissal of the Engineer and termination of this Contract without any or further liability to the City other than a prorated payment for necessary, timely and conforming work done on the project prior to the time of termination. Engineer proposes to complete the Preliminary Phase, Surveying and Design Phases for the entire project within 270 calendar days. Exhibit "A" is a Bar Graph Schedule showing a breakdown of the major tasks and associated time frames for completion. Upon receiving the notice to proceed, the engineer will submit a new Bar Graph Schedule and submittal dates shown. Upon request by the City, the engineer will prepare a revised schedule.

Section 4. Professional Liability Insurance.

Prior to the commencement of the design phase under this Contract, Engineer shall obtain standard comprehensive professional liability insurance coverage in an amount of at least \$500,000.00 aggregate per year, covering the services provided under this Contract, including contractual liability as provided by Section 9 of this Contract. Engineer shall maintain such coverage during all phases of engineering services under this Contract and for one (1) year after substantial completion of the project. The City shall be supplied with a certificate of such coverage, which shall provide for a thirty- (30) day notice to the City, by certified or registered mail, of cancellation, non-renewal, or material alteration.

Section 5. Compensation.

(A) Basic Services:

The Engineer's percentage rate for computation of compensation for the Preliminary Phase, the Surveying Phase, the Design Phase, and the Construction Phase will be based on the negotiated Base Fee between the City and the Engineer as depicted below.

At the date of execution of this contract, the estimated design fees are as follows:

| | |
|--|------------|
| Base Fee: | \$ 113,500 |
| • Conceptual Layout Phase | |
| • Preliminary Phase | |
| • Surveying Phase | |
| • Design Phase | |
| • Construction Phase | |
| Additional Services: | |
| • Hydraulic Engineering (Nathan D. Maier Engineering) | \$ 20,500 |
| • Geotechnical Engineering (STL Engineers) | \$ 11,500 |
| • Environmental Engineering (IES Consulting) | \$ 20,900 |
| Unforeseen Items: | \$ 15,000 |
| Total Fee: | \$ 181,400 |

The fee amount identified as Unforeseen Items shall be used at the discretion of the City to pay the Engineer for unforeseen Special Services (Section 5(B)) or Additional Work (Section 6(B)) necessary for the proper design of the construction documents in accordance with the intent of this contract. No portion of this item shall be paid to the Engineer, nor shall the Engineer perform extra work, without written authorization from the City. The City shall retain all Unforeseen Items funds not authorized during the design of the project.

Compensation shall be paid as follows:

1. Upon acceptance of Conceptual, Preliminary and Surveying Phases, 40% of the total compensation, less unforeseen item cost.

2. Upon acceptance of Preliminary Plans, 45% of total compensation, less unforeseen item cost. (Cumulative compensation equal to 85%).
3. Upon acceptance of Final Plans, 10% of total compensation, less unforeseen item cost. (Cumulative compensation equal to 95%).
4. The City shall retain the final 5% of total compensation, less unforeseen item cost, until completion of the final inspection of the Construction Phase of this contract **and “permanent” monumentation has been established** as described in Section (2(D)4) of this contract.

The Engineer may submit monthly, or less frequent, requests for payment based on the estimated completion of the described tasks and approved work schedule. This fee covers all typical cost associated with the project administration, design & development, including, but not limited to, mileage, copies, phone, labor, overhead, maintenance, printing, copying, and all other incidental costs. The Engineer must submit their request for payment using the City's forms as shown in Appendix “B” of this contract, or in a format approved by the City.

(B) Special Services:

The Engineer's compensation for "special services" shall be based on the "Engineer's Established Hourly Rates" (a copy of which is attached hereto as Exhibit “B”). Statements for special services may only be submitted on a monthly basis. The Engineer shall advise the City in advance when the Engineer contends that a particular service falls into the "special services" category. No service shall be compensated as a special service unless and until approved by the City. As used in this Contract, the term "special services" means:

1. Preparation of any traffic signalization plans including street lights and underground or overhead conduit plans.
2. Preparation of a conditional letter of map revision (CLOMR), if required.
3. Additional land surveys to establish project boundaries that require the surveyor to access properties beyond those adjacent to the project.
4. Preparation of any special reports required for marketing of bonds.
5. Appearances before regulatory agencies other than the City.
6. Assistance to the City as an expert witness in any litigation with third parties arising from the development or construction of the Project.
7. Special investigations involving detailed consideration of operation, maintenance and overhead expenses; preparation of rate schedules; earnings and expense statements; special feasibility studies, appraisals, valuations, and material audits or inventories required for certification of force account construction performed by the Owner.
8. Soil and foundation investigations, including field and laboratory tests, borings, related engineering analyses, and recommendations.

9. Detailed mill, shop and laboratory inspection of materials or equipment.
10. Preparation of estimates and Engineer's rolls necessary for assessments.
11. Additional copies of reports and specifications (over agreed number) and additional blueprint copies of drawings (over agreed number).
12. Preparation of applications and supporting documents for government grants or planning advances for public works projects.
13. Preparation of environmental statements and assistance to the City in preparing for and attending public hearings.
14. As a result of the creation of new right-of-way, the surveyor shall establish and monument right-of-way geometry and new property corners for adjoining parcels upon completion of project. New monumentation shall conform to the minimum technical standards of the Texas Board of Professional Land Surveying, or as specified by the City. A Registered Professional Land Surveyor must certify the following on the face of the project "As-Built" Right-Of-Way Map:

A survey has been completed for the additional right-of-way shown on the accompanying map; and as of [insert completion date of survey here], all monuments found or placed defining the right-of-way geometry or right-of-way parcels have been field verified as to their existence and location as originally found or have been reset (if unstable/disturbed or destroyed) in accordance with the minimum technical standards of the Texas Board of Professional Land Surveying.

15. On projects where no new right-of-way is acquired, upon completion of the project the surveyor shall, verify existence of, or reset, found right-of-way monumentation and property corners for adjoining parcels. New monumentation shall conform to the minimum technical standards of the TBPLS and City specifications. A Registered Professional Land Surveyor must certify the following on the face of the project "As-Built" Right-Of-Way Map:

A retracement survey has been completed of the right-of-way shown on the accompanying map; and as of [insert completion date of survey here], all monuments found or placed defining the right-of-way geometry or existing adjoining parcels have been field verified as to their existence and location as originally found or have been reset (if unstable/disturbed or destroyed) in accordance with the minimum technical standards of the Texas Board of Professional Land Surveying.

16. Acquisition of individual federal or state permits that may be required. (Note: This does not apply to federal or state general permits.)
17. Easements or parcel descriptions in addition to those specified in Section 2(C)(6).

(C) Records of Expenses:

Engineer shall maintain reasonably detailed records of all work done on behalf of the City under this Contract and of all expenses incurred for which Engineer seeks payment or reimbursement and shall promptly provides such records to the City upon request.

Section 6. Changes to the Project and Additional Compensation.

(A) Changes to Work:

The Engineer shall make such revisions in the work included in this Contract, which has been completed as are necessary to correct any errors when required to do so by the City. No additional compensation shall be paid for such work. If the City finds it necessary to request changes to previously satisfactorily completed work or parts thereof, the Engineer shall make such revisions if requested and as directed by the City and such services will be considered as additional work and paid for as specified under following paragraph.

(B) Additional Work:

Work not within the description of the "Scope of Services" to be provided by the Engineer under this Contract and not otherwise constituting special services must be approved by supplemental agreement to this Contract by the City before the Engineer undertakes it. If the Engineer is of the opinion that any work is beyond the scope of this Contract and constitutes additional work, the Engineer shall promptly notify the City of that opinion, in writing. In the event the City finds that such work does constitute additional work, then the City shall so advise the Engineer, in writing, and shall provide extra compensation to the Engineer for the additional work on the same basis as covered under "Compensation" and as provided under a supplemental agreement. The fixed fee shall be adjusted if additional work is approved by supplemental agreement and performed by the Engineer.

Section 7. Miscellaneous Provisions.

(A) Subletting:

The Engineer shall not sublet or transfer any portion of the work under this Contract unless specifically approved in writing by the City. Subcontractors shall comply with all provisions of this Contract. The approval or acquiescence of the City in the subletting of any work under this Contract shall not relieve the Engineer of any responsibility for work done under this Contract.

(B) Ownership of Documents:

Upon completion or termination of this Contract, all documents prepared by the Engineer or furnished to the Engineer by the City shall be delivered to and become the property of the City. All sketches, charts, calculations, plans, specifications and other data prepared under this Contract shall be made available, upon request, to the City without restriction or limitation on the further use of such materials. The Engineer may, at the expense of the Engineer, have copies made of the documents or any other data furnished to the City under this Contract.

(C) Engineer's Seal; Warranty:

The Engineer shall place the Texas Professional Engineer's seal of endorsement of the principal engineer on all documents and engineering data furnished by the Engineer to the City. Engineer warrants that all work and services provided under this Contract will be performed in a good and workmanlike fashion and shall conform to the accepted standards and practices of the engineering profession.

(D) Compliance with Laws:

The Engineer shall comply with all Federal, State and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies in any matter affecting the performance of this Contract, including, without limitation, worker's compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Engineer shall furnish the City with satisfactory proof of compliance.

(E) Status of Engineer:

Engineer acknowledges that Engineer is an independent contractor of the City and that Engineer is not an employee, agent, official or representative of the City. Engineer shall not represent, either expressly or through implication, that Engineer is an employee, agent, official or representative of the City. Income taxes, self-employment taxes, social security taxes and the like are the sole responsibility of the Engineer.

(F) Non-Collusion:

Engineer represents and warrants that Engineer has not given, made, promised or paid, nor offered to give, make, promise or pay any gift, bonus, commission, money or other consideration to any person as an inducement to or in order to obtain the work to be provided to the City under this Contract. Engineer further agrees that Engineer shall not accept any gift, bonus, commission, money, or other consideration from any person (other than from the City under this Contract) for any of the services performed by Engineer under or related to this Contract. If any such gift, bonus, commission, money, or other consideration is received by or offered to Engineer, Engineer shall immediately report that fact to the City and, at the sole option of the City, the City may elect to accept the consideration for itself or to take the value of such consideration as a credit against the compensation otherwise owing to Engineer under this Contract.

(G) Right To Audit:

The City shall have the right to examine and audit the books and records of the Contractor at any reasonable time. Such books and records will be maintained in accordance with generally accepted principles of accounting and will be adequate to enable determination of: 1) the substantiation and accuracy of any payment required to be made under this agreement; and 2) compliance with the provisions of this agreement.

Section 8. Termination of Contract. This Contract may be terminated:

1. By mutual agreement and consent of both Engineer and City.
2. By the City, immediately upon notice in writing to the Engineer, as consequence of the failure of Engineer to perform the services contemplated by this Contract in a timely or satisfactory manner and within the limits provided, with proper allowances being made for circumstances beyond the control of the Engineer.
3. By either party, upon the failure of the other party to fulfill its obligations as set forth in the "Scope of Services".

4. By the City for reasons of its own and not subject to the mutual consent of the Engineer, upon not less than thirty- (30) days written notice to the Engineer.
5. By satisfactory completion of all services and obligations described herein.

Should the City terminate this Contract, the Engineer shall not be entitled to any fees or reimbursable expenses other than the fees and reimbursable expenses then due and payable as of the time of termination. In determining the value of the work performed by the Engineer prior to termination, the City shall be the sole judge. Payment for work at termination will be based on work satisfactorily completed at the time of termination.

If the Engineer defaults in performance of this Contract or if the City terminates this Contract for fault on the part of the Engineer, the City will give consideration to the actual costs incurred by the Engineer in performing work to date of default, the value of the work which is usable to the City, the cost to the City of employing another engineer to complete the work required and the time required to do so, and other factors which affect the value to the City of the work performed at time of default.

If the termination of this Contract is due to the failure of the Engineer to fulfill a contract obligation, the City may take over the project and prosecute the work to completion by contract or otherwise. In such case, the Engineer shall be liable to the City for any additional cost incurred by the City in completing such work.

Section 9. Indemnification

Engineer agrees to indemnify, hold harmless, and defend the City of Garland, Texas and all of its present, future and former agents, employees, officials and representatives in their official, individual and representative capacities from and against any and all claims, demands, causes of action, judgments, liens and expenses (including attorney's fees, whether contractual or statutory), costs and damages (whether common law or statutory, and whether actual, punitive, consequential or incidental), of any conceivable character, due to or arising from injuries to persons (including death) or to property (both real and personal) created by, arising from, or in any manner relating to the services or goods performed or provided by Engineer to the fullest extent BUT ONLY TO THE EXTENT allowed under Sec. 271.904(a) of the Texas Government Code.

Section 10. Notices

Any notice required or desired to be given from one party to the other party to this Contract shall be in writing and shall be given and shall be deemed to have been served and received (whether actually received or not) if (i) delivered in person to the address set forth below; (ii) deposited in an official depository under the regular care and custody of the United States Postal Service located within the confines of the United States of America and sent by certified mail, return receipt requested, and addressed to such party at the address hereinafter specified; or (iii) delivered to such party by courier receipted delivery. Either party may designate another address within the confines of the continental United States of America for notice, but until written notice of such change is actually received by the other party, the last address of such party designated for notice shall remain such party's address for notice.

Section 11. No Assignment

Neither party shall have the right to assign that party's interest in this Contract without the prior written consent of the other party.

Section 12. Severability

If any term or provision of this Contract is held to be illegal, invalid or unenforceable, the legality, validity or enforceability of the remaining terms or provisions of this Contract shall not be affected thereby, and in lieu of each such illegal, invalid or unenforceable term or provision, there shall be added automatically to this Contract a legal, valid or enforceable term or provision as similar as possible to the term or provision declared illegal, invalid or unenforceable.

Section 13. Waiver

Either City or the Engineer shall have the right to waive any requirement contained in this Contract which is intended for the waiving party's benefit, but, except as otherwise provided herein, such waiver shall be effective only if in writing executed by the party for whose benefit such requirement is intended. No waiver of any breach or violation of any term of this Contract shall be deemed or construed to constitute a waiver of any other breach or violation, whether concurrent or subsequent, and whether of the same or of a different type of breach or violation.

Section 14. Governing Law; Venue

This Contract and all of the transactions contemplated herein shall be governed by and construed in accordance with the laws of the State of Texas. The provisions and obligations of this Contract are performable in Dallas County, Texas such that exclusive venue for any action arising out of this Contract shall be in Dallas County, Texas.

Section 15. Paragraph Headings; Construction

The paragraph headings contained in this Contract are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several paragraphs hereof. Both parties have participated in the negotiation and preparation of this Contract and this Contract shall not be construed either more or less strongly against or for either party.

Section 16. Binding Effect

Except as limited herein, the terms and provisions of this Contract shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, devisees, personal and legal representatives, successors and assigns.

Section 17. Gender

Within this Contract, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires.

Section 18. Counterparts

This Contract may be executed in multiple counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.

Section 19. Exhibits

All exhibits to this Contract are incorporated herein by reference for all purposes wherever reference is made to the same.

Section 20. Entire Agreement

It is understood and agreed that this Contract contains the entire agreement between the parties and supersedes any and all prior agreements, arrangements or understandings between the parties relating to the subject matter. No oral understandings, statements, promises or inducements contrary to the terms of this Contract exist. This Contract cannot be changed or terminated orally.

Section 21. Relationship of Parties

Nothing contained in this Contract shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between the parties, it being expressly understood and agreed that no provision contained in this Contract nor any act or acts of the parties hereto shall be deemed to create any relationship between the parties other than the relationship of independent parties contracting with each other solely for the purpose of effecting the provisions of this Contract.

Section 22. Dispute Resolution.

Pursuant to subchapter I, Chapter 271, TEXAS LOCAL GOVERNMENT CODE, Contractor agrees that, prior to instituting any lawsuit or other proceeding arising from any dispute or claim of breach under this Agreement (a "Claim"), the parties will first attempt to resolve the Claim by taking the following steps: (i) A written notice substantially describing the factual and legal basis of the Claim shall be delivered by the Contractor to the City within one-hundred eighty (180) days after the date of the event giving rise to the Claim, which notice shall request a written response to be delivered to the Contractor not less than fourteen (14) business days after receipt of the notice of Claim; (ii) If the response does not reasonably resolve the Claim, in the opinion of the Contractor, the Contractor shall give notice to that effect to the City whereupon each party shall appoint a person having authority over the activities of the respective parties who shall promptly meet, in person, in an effort to resolve the Claim; (iii) If those persons cannot or do not resolve the Claim, then the parties shall each appoint a person from the highest tier of managerial responsibility within each respective party, who shall then promptly meet, in person, in an effort to resolve the Claim.

*** SCHEDULE DOES NOT INCLUDE CITY REVIEW TIME,
HYDRAULIC AND ENVIRONMENTAL REVIEW TIME OR
PERMITTING APPROVALS BY OTHER ENTITIES.**

City of Garland
Garland/Mesquite Trail Connector
ENGINEER'S OPINION OF PROBABLE CONSTRUCTION COST

Description:

This estimate consist of a 2,400 linear feet of a 12' wide reinforced concrete trail including a 100' long pedestrian bridge.

| ITEM | QTY | UNIT | DESCRIPTION | UNIT COST | TOTAL |
|------|-------|------|--|--------------|--------------|
| 1 | 1 | LS | Mobilization, bonds and insurance | \$ 50,000.00 | \$50,000.00 |
| 2 | 1 | LS | All traffic control measures, including, but not limited to, construction sequencing, barricading, traffic control design, panels, signs, temporary pavement markings and temporary asphalt pavement | \$ 7,500.00 | \$7,500.00 |
| 3 | 1 | LS | Temporary erosion control including operational control of SW3P | \$ 15,000.00 | \$15,000.00 |
| 4 | 1.2 | AC | Prepare right-of-way, complete per unit | \$ 6,000.00 | \$7,200.00 |
| 5 | 45 | SY | Remove and dispose of concrete apron, complete per unit | \$ 30.00 | \$1,350.00 |

Proposed Debt Sale

Summary of Request/Problem

On February 21, 2012, Council approved the 2012 Capital Improvement Program (CIP), which contemplated the sale of Certificates of Obligation in the amount of \$6.8 million and Water & Sewer Revenue Bonds in the amount of \$8.4 million, excluding debt issuance cost. Staff requests Council consideration of two ordinances to authorize the sale of debt to fund the approved CIP.

Recommendation/Action Requested and Justification

Approve the sale of Certificates of Obligation and Water & Sewer Revenue Bonds to fund a portion of the approved 2012 CIP.

RESOLUTION NO.

A RESOLUTION ADOPTING AN AMENDED INVESTMENT POLICY OF THE CITY OF GARLAND; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS:

WHEREAS, the Public Funds Investment Act (Chapter 2256, Tx. Govt. Code)(“PFIA”), requires the City to adopt a written investment policy and, as part of the investment policy, to adopt a separate investment strategy for each of the funds or groups of funds under its control; and

WHEREAS, the City has previously adopted Council Policy FIN-06 (investment policy) and Council Policy FIN-05 (investment strategy); and

WHEREAS, the City Council has reviewed the investment policy and desires to adopt an amended Council Policy FIN-06 (investment policy) as attached hereto, which investment policy as adopted shall record any changes made to the investment policy.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS:

Section 1

That the Garland City Council hereby adopts Council Policy FIN-06, in the form and substance as attached hereto and incorporated herein by reference.

Section 2

That this Resolution shall be and become effective immediately upon and after its adoption and approval.

PASSED AND APPROVED this the _____ day of _____, 2012.

Depository Bank Contract

Summary of Request/Problem

At the May 14, 2012 Work Session, Council considered authorizing a depository bank contract with a financial institution that has been selected through a Request for Application process to meet the City's banking needs in accordance with City Council Policy FIN-06.

Recommendation/Action Requested and Justification

It is recommended that Council approve a resolution indicating their approval to execute a depository bank contract and related agreements with JP Morgan Chase for the period July 1, 2012 through June 30, 2014. The depository bank contract contains three one-year extension options effective July 1, through June 30, 2017.

BANKING SERVICES AND DEPOSITORY AGREEMENT

This Banking Services and Depository Agreement ("Agreement") is made and entered into between the City of Garland, Texas (the "City") and JPMorgan Chase Bank, NA (the "Bank").

WHEREAS, the City desires to obtain banking services and a depository for its funds and to provide for those funds the highest level of safety, liquidity and return while receiving suitable banking services at a reasonable charge; and

WHEREAS, the Bank is willing to provide such banking services and to act as a depository for City funds while providing full collateral suitable to the City;

NOW, THEREFORE, for and in consideration of the premises and the agreements contained herein, the City and the Bank agree as follows:

Section 1. Banking Services.

The Bank agrees to provide the City banking services of the types and for the charges and credits as specified in Exhibit "A" attached hereto.

Section 2. Security.

(A) All deposits of the City in the Bank in excess of \$250,000 shall be secured by the Bank in an amount equal to at least 100 percent (100%) of the deposits in excess of \$250,000, including accrued interest, by pledging collateral in the form of any of the following securities (the "Pledged Securities"), but not others:

- (i) United States Treasury Notes, Bills or Bonds or obligations fully and unconditionally guaranteed as to principal and interest by the full faith and credit of the United States; or
- (ii) Obligations of the Agencies and Instrumentalities of the United States, including, but not limited to: Federal Home Loan Bank, Federal Home Loan Mortgage Corporation and Federal National Mortgage Association; or
- (iii) Mortgage-Backed Securities issued by the United States and its Agencies and Instrumentalities, including but not limited to Government National Mortgage Association; or

- (iv) The use of a Federal Home Loan Bank issued Letter of Credit to meet the required collateral requirements may be proposed by the financial institution for consideration by the City.

(B) The Bank shall place the Pledged Securities for safekeeping in a custodial account at a state or national bank domiciled in Texas, Federal Home Loan Bank, or Federal Reserve Bank or a branch of a Federal Reserve Bank not owned nor controlled by the Bank or its holding company, JPMorgan Chase Bank, NA, or JPMorgan Chase Bank, NA affiliates or subsidiaries. The Pledged Securities will be released from the custodial account only in accordance with the terms and conditions of a Continuing Deposit Security Agreement to be executed between the Bank and the City, in the form attached hereto as Exhibit "B".

(C) The Bank shall be in default (i) upon its failure to pay any funds which the City has on deposit therein in accordance with the terms of this Agreement; or (ii) if a receiver is appointed for the Bank; or (iii) if the Bank is ruled or becomes insolvent or otherwise "failed" under applicable federal banking regulations.

(D) In the event of a default as defined herein, the City shall give the Bank written notice of such default. In the event the default is not cured within ten (10) business days of receipt of written notice of default from the City, the Director of Financial Services of the City, (or a duly authorized representative) may then direct the Custodian to sell the Pledged Securities. Out of the proceeds of sale, the Custodian may pay to the City such actual damage and losses sustained by the City, (excluding any punitive, indirect, consequential, or special damages or losses), together with reasonable expenses incurred by the City and Custodian on account of such default and sale of the Pledged Securities. The Bank shall be paid the remainder of the proceeds, and the City shall provide the Bank an accounting of all transactions associated with such sale.

Any sale by the Custodian made of such Pledged Securities, or any par thereof, may be in any market for such Pledged Securities, and the Bank may bid at such sale. Written notice to the Bank of any sale must be provided, and must be received by the Bank at least three (3) business days prior to such sale.

(E) The Bank shall furnish to the City a statement describing the Pledged Securities held in safekeeping by the Custodian on at least a monthly basis commencing on July 1, 2012. The statement shall set forth the par value, market value, interest rate and maturity date of each of the Pledged Securities.

(F) The Bank may not substitute or exchange like securities for the Pledged Securities without the prior written consent (or oral consent followed by written acknowledgment) of the City, which consent shall not be unreasonably withheld. A written notice stating the type of security, par value, interest rate, maturity date and market value at the date of substitution shall be sent to the

City by the Bank within five (5) business days of any such substitution or exchange.

(G) The Bank shall provide to the City a statement of its financial position on at least a quarterly basis. The Bank shall also provide to the City its annual financial statements audited by an independent public accountant as to its "fair presentation."

Section 3. Disbursements.

(A) The City maintains one or more deposit accounts as listed by style and number on Exhibit "C" ("Disbursing Account") at JPMorgan Chase Bank, NA, San Angelo ("Control Bank"). The City also maintains a deposit account at the Bank with the style and account number as set forth on Exhibit "D" ("Funding Account"). The City requests that the Bank from time to time transfer funds from the Funding Account to the Disbursing Account. Such transfers may be effected by any reasonable means acceptable to the Bank.

(B) Every banking business day (Monday through Friday, excluding holidays), items drawn on a Disbursing Account which have been presented for payment before 10:30 A.M. Central Time (the "deadline") will be totalled (the "Daily Total"). The City authorizes the Bank to transfer funds as of the same banking business day from the Funding Account to each Disbursing Account in an amount equal to the Daily Total for such Disbursing Account. Each banking business day, the City may obtain the Daily Total for each Disbursing Account by accessing the Bank's information reporting service

(C) Items drawn on a Disbursing Account which are presented for payment at the Control Bank after the deadline may be dishonored or payment on such items may be refused or delayed unless the City has a sufficient available balance of collected funds in such Disbursing Account to cover payment of such items. If the Control Bank pays an item presented after the deadline, such item will be included in the Daily Total for the appropriate Disbursing Account on the next banking business day.

(D) The City agrees to maintain a sufficient balance of collected funds in the Funding Account to allow the Bank to make transfers in the amount of the Daily Totals as contemplated in subsection B. If the Funding Account does not contain sufficient collected funds to cover the transfers of the Daily Totals to the Disbursing Accounts, the Bank shall not be required to make any transfer of funds from the Funding Account which would create an overdraft of such account. The City acknowledges that in such event, the Control Bank may dishonor or refuse payment of all or some of the items drawn on a Disbursing Account which have been presented for payment.

(E) The City acknowledges and agrees that each of the Disbursing Accounts is subject to a deposit agreement between the City and the Control Bank only. The City agrees to contact the Control Bank in matters related to the Disbursing Account, such as, for example, the issuance of a stop payment order on an item drawn on a Disbursing Account.

(F) The City agrees that it will promptly examine bank statements for the Disbursing Account

and the Funding Account. The City agrees to report any discrepancies (i) between the statements for the Disbursing Account and the transfers shown on the statement for the Funding Account; or (ii) between the City's records and any of the statements, in writing to the Bank within thirty (30) days after the statement date.

(G) The City agrees to promptly pay the Bank the fees shown on Exhibit "A". The City agrees that the Bank may reimburse itself for fees due hereunder by debits to the City's Funding Account.

If the Funding Account does not have a sufficient collected balance to cover such charges and fees, the Bank may reimburse itself from any other account maintained by the City at the Bank. The City agrees to reimburse the Bank upon demand for any of such charges and fees which remain unpaid. The Bank may, at its option, require advance payment of such charges or fees or a deposit to cover such charges and fees.

(H) From time to time, upon not less than 30 days' prior written notice to the City and written consent from the City, the Bank may change any procedures without prior notice to the City where an immediate change in items or conditions is necessary to maintain or restore the security of a funds transfer system or any deposit account.

(I) If the City notifies the Bank of any error or omission by the Bank in any transfer under this Agreement, the Bank shall undertake to correct such error or omission within a reasonable time, by preparing and processing appropriate transfers, provided that the City shall ensure that sufficient funds of the City are available in the Disbursing Account and/or Funding Account involved.

Section 4. Transfer of Funds.

(A) Specific requests from the City to the Bank for funds transfers are to be made by the City's authorized representatives ("Authorized Representatives") listed on the List of Authorized Representatives furnished by the City to the Bank from time to time in the form attached hereto as Exhibit "E". Elimination of any name from such List shall be made effective immediately upon receipt of written notice by the Bank. The Bank has no liability for transfers made by a person on the List of Authorized Representatives before the Bank is notified in writing that such person has been removed from the List. Only an Authorized Representative of the City may authorize one or more funds transfers. Requests for transfers may be made by telephone, telex, telegraph, orally, in writing or by any other signal or means of communication.

(B) The City may authorize the Bank to make the requested funds transfers by any means for the transmission of funds and also to make transfers by internal means. Transfers of funds to the City's account(s) from third parties shall be received subject to the Bank's published deadlines. The City shall be notified thirty (30) days in advance of any change in those deadlines. The Bank shall cancel a requested transfer if the Bank receives the City's request for cancellation, given by an Authorized Representative on the affected account, in such time and in such manner as to allow the Bank a reasonable opportunity to act.

(C) (i) For their mutual benefit, the City and the Bank shall adhere to the security procedures contained in this Agreement and in any implementing instructions which the Bank may issue regarding the processing of funds transfers. Any request for transfer of funds shall be accepted and honored from any person identifying himself or herself as an Authorized Representative of the City and providing the correct Authorization Code (the "Code"), which shall be established by the City and the Bank. When a person calls in a funds transfer order on behalf of the City representing that he or she is an Authorized Representative, the Bank may at its option terminate this call, call back the City, and ask for the person so identified to confirm with the person with whom the Bank is connected that he or she placed the order. The Bank shall mail to the City at the address indicated below by certified mail, return receipt requested, one or more codes for use by the City in communicating funds transfer orders to the Bank. The City's receipt of the Code will be established by the return of the signed return receipt indicating postal delivery to the City. If the return receipt is not received back by the Bank within ten (10) banking days from the time of mailing, the Bank will telephone the City to inquire whether the Code has been received. No funds transfer order will be accepted without the correct Code. At the City's request, or on its own initiative, the Bank will change the Code from time to time by mailing the new Code to City in the same manner as the original Code. The Bank shall not be liable for its good faith reliance upon the City's instructions received from a person identifying himself or herself as an Authorized Representative in accordance with this Agreement and providing the correct Authorization Code.

(ii) The Bank shall furnish to the City a confirming notification of funds transfer after it is made, in the form of a periodic account statement. The City shall examine such account statement to detect the presence or absence of any discrepancies between the City's records and the statement sent by the Bank, and shall report any such discrepancies to the Bank within thirty (30) days after the day that the Bank sends the account statement. The City shall notify the Bank promptly of any funds transfer errors in the City's favor and agrees to avoid being unjustly enriched as a result.

(iii) The Bank will confirm in writing transfers from the City's account(s) to accounts of third parties at other financial institutions.

(iv) The Bank may, at its option, elect to record electronically any telephone instructions regarding funds transfers. The City expressly consents to such recordings. A signal in the telephone will indicate that the telephone message is being recorded.

(v) At the Bank's request, the City will provide written confirmation of any request for or receipt of a transfer of funds.

Section 5. Account Balances.

The Bank shall not be obligated to make any funds transfer if the amount of such transfer exceeds the immediately available funds on deposit by the City with the Bank. The City agrees to maintain

sufficient balances in appropriate accounts to affect funds transfers. The Bank may, at its option and in its sole discretion, honor or refuse to honor a funds transfer order from a City account which will result in the account being overdrawn. In the event that the execution of a funds transfer results in an overdraft that continues for more than one (1) business day, the Bank shall be entitled to interest on the amount overdrawn at a rate based upon prime rate plus 2% from the day the City's account was first overdrawn until the account is no longer overdrawn.

Section 6. Confidentiality and Safeguarding.

All data relating to the City's business provided to the Bank by the City pursuant to this Agreement will be treated confidentially and safeguarded by the Bank, using the same care and discretion that it uses with data that the Bank designates as confidential, and the Bank shall safeguard all funds and investments of the City while such funds or investments are in the possession of or under the control of the Bank.

Section 7. Representations.

The Bank covenants, represents and warrants to the City:

(i) That JPMorgan Chase Bank, NA (the "Bank"), or another subsidiary bank of JPMorgan Chase Bank, NA is the legal and actual owner of the Pledged Securities and that the Bank has full power and authority to pledge the Pledged Securities to the City;

(ii) That no other security interest has been, or will be, granted in the Pledged Securities; and,

(iii) That the Bank is insured by the FDIC for \$250,000 for all City Demand Deposits which is separate from the \$250,000 FDIC insurance provided on all interest-bearing City accounts.

Section 8. Notices.

Any notice required or desired to be given to either party hereto shall be deemed to be delivered: (i) on the date of delivery, if hand delivered; (ii) one (1) day after sending, if sent by overnight courier; or (iii) if sent by mail, three (3) days after the same is posted in a U.S. mail receptacle, postage prepaid, to the address of the applicable party set out below such party's signature hereinbelow. Either party hereto may designate another address within the United States of America for notice, but until written notice of such change by the other party, the last address of such party designated for notice shall remain such party's address for notice.

Section 9. Attorneys' Fees.

Should either party to this Agreement commence legal proceedings against the other to enforce the

terms and provisions of this Agreement, the party losing in such legal proceeding shall pay the reasonable attorneys' fees and expenses of the party prevailing in such legal proceedings.

Section 10. No Assignment.

Neither party shall have the right to assign that party's interest in this Agreement without the prior written consent of the other party.

Section 11. Severability.

If any term or provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity or enforceability of the remaining terms or provisions of this Agreement shall not be affected thereby, and in lieu of each such illegal, invalid or unenforceable term or provision, there shall be added automatically to this Agreement a legal, valid or enforceable term or provision as similar as possible to the term or provision declared illegal, invalid or unenforceable.

Section 12. Waiver.

Either the City or the Bank shall have the right to waive any requirement contained in this Agreement, which is intended for the waiving party's benefit, but, except as otherwise provided herein, such waiver shall be effective only if in writing executed by the party for whose benefit such requirement is intended.

Section 13. Governing Law.

This Agreement and all of the transactions contemplated herein shall be governed by and construed in accordance with the laws of the State of Texas.

Section 14. Paragraph Headings.

The paragraph headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several paragraphs hereof.

Section 15. Complete Agreement.

This Agreement contains the entire agreement between the City and the Bank with respect to the matters set forth herein.

Section 16. Binding Effect.

Except as limited herein, the terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, devisees, personal and legal representatives, successors and assigns.

Section 17. Gender.

Within this Agreement, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires.

Section 18. Counterparts.

This Agreement has been executed in multiple counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument.

Section 19. Exhibits.

All exhibits to this Agreement are incorporated herein by reference for all purposes wherever reference is made to the same.

Section 20. Relationship of Parties.

Nothing contained in this Agreement shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between the parties, it being expressly understood and agreed that no provision contained in this Agreement nor any act or acts of the parties hereto shall be deemed to create any relationship between the parties other than the relationship of City and Bank as those terms are understood herein.

Section 21. Term, Renewal and Termination.

This Agreement shall commence July 1, 2012. This Agreement may be renewed on July 1, 2014 for a one (1) year period, on July 1, 2015 for a one (1) year period and on July 1, 2016 for a one (1) year period subject to the approval of the Garland City Council and the Bank. The service charges described in Exhibit "A" apply to the agreement commencing July 1, 2012 and to each one year renewal. Either party may terminate this Agreement either for or without cause upon ninety (90) days written notice to the other party.

EXECUTED this _____ day of _____, 2012.

CONTINUING DEPOSIT SECURITY AGREEMENT

THIS AGREEMENT is entered into as of July 1, 2007, by and between the City of Garland, Texas ("Customer"), and JPMorgan Chase Bank, NA ("the Bank").

RECITALS

A. From time to time Customer, for investment and business purposes, makes deposits of money with the Bank; and

B. Although such deposits are generally eligible for FDIC insurance coverage, such coverage is limited for the funds of each public unit, as that term is defined by applicable law.

C. In consideration of the deposits made by Customer with the Bank, Customer and the Bank desire to enter this Agreement granting Customer a security interest in certain Collateral hereinafter defined to afford Customer greater protection.

NOW, THEREFORE, in consideration of the Customer's depositing its funds with the Bank and as security for the repayment of those deposits, the parties agree as follows:

1. OBLIGATIONS. The obligations subject to this Agreement, hereinafter referred to as "Obligations", are the accounts held in the following name: City of Garland, Texas.
2. GRANT OF SECURITY INTEREST - COLLATERAL. To secure the Obligations described above, the Bank hereby grants to the Customer security interest in and assigns and pledges assets, hereinafter referred to as ("Collateral"). The Bank represents that its Board of Directors has passed a resolution authorizing and approving the execution and delivery of contracts with the United States, individual states, and any political subdivisions thereof ("Public Units") providing for the deposit of public funds with the Bank and the pledge of collateral by the Bank to the Public Unit and further authorizing and approving the execution and delivery of all related contracts between the Public Units and the Bank, including without limitation, assignments, pledge agreements and security agreements; that such resolution is reflected in the Minutes of the Bank's Board of Directors; and that a copy of this Continuing Deposit Security Agreement shall be maintained as an official record of the Bank.
3. LOCATION OF COLLATERAL. The Bank agrees to deliver and place the Collateral with the Federal Reserve Bank, hereinafter referred to as "Trustee", as a book entry item in the name of the Customer as the secured party. Evidence of such transaction will be forwarded to the Customer immediately

after the transaction occurs, in no event later than one (1) week from the execution of this Agreement.

4. BANK REPRESENTATIONS, WARRANTIES AND PROMISES. The Bank further represents, warrants and agrees:

- a) The Bank has full power and authority to enter into this Agreement.
- b) The Bank is the owner of the Collateral, or if the Bank is not the owner, the owner has agreed to execute a Hypothecation Agreement granting a security interest in the Collateral in consideration of the Customer's deposits.
- c) The Bank agrees that the total aggregate market value of the Collateral pledged to the Customer, pursuant to this Agreement, shall be continually maintained at the amount equal to or greater than the Obligations of the Bank to the Customer which exceed the sum of the Federal Deposit Insurance Corporation's Insurance limitation. Customer shall notify Bank of significant changes in the amount of Customer's deposits, at which time Bank will pledge additional or release excess securities. (Bank will voluntarily monitor the market value of pledged securities on a daily basis.)
- d) If the Bank shall desire to sell or otherwise dispose of any one or more of the securities constituting part of the Collateral deposited with the Trustee, it may substitute for any one or more such securities other securities of the same current par and of the character authorized herein. Such right of substitution shall remain in full force and may be exercised by the Bank as often as it is desired; provided, however, that the aggregate market value of all Collateral pledged hereunder shall be at least equal to the amount of Collateral required hereunder.
- e) The Bank shall be entitled to income on securities held by the Trustee, and the Trustee may dispose of such income as directed by the Bank without approval of the Customer, provided a breach of contract does not exist.
- f) This Agreement will continuously, from the time of its execution, remain part of the official records of the Bank.

5. EVENTS OF BANK DEFAULT. The Bank shall be in default under this Agreement upon the occurrence of any one or more of the following events or conditions which continue to exist for a period of ten (10) days after Customer has served the Bank with a notice generally describing said defaults:

- a) Failure to comply with any of the requirements of Subparagraph 4 above or any other provisions of this Agreement:
- b) Non-payment of any of the Obligations when due or non-performance of any promises made by the Bank in this Agreement:
- c) Insolvency of the Bank
- d) The appointment of a receiver for any part of the Bank.

6. RIGHT OF CUSTOMER UPON BANK'S DEFAULT. In the event of a default by the Bank, in addition to all the rights and remedies provided in Article 9 of the Uniform Commercial code and any other applicable law, the Customer may (but is under no obligation to the Bank to do so) sell, assign and deliver the whole, or any part of the Collateral or any substitutes thereof or additions thereto, in a commercially reasonable manner and with right to purchase the Collateral at any public sale. Out of the proceeds of any such sale Customer may deduct its actual damages and reasonable costs and expenses of sale incurred as a result of Bank's default, accounting to Bank for the remainder, if any, of such proceeds or collateral remaining unsold.

7. CUSTOMER REPRESENTATIONS, WARRANTIES, AND PROMISES. Customer further represents, warrants and agrees:

- a) Customer has full power and authority to enter into this Agreement.
- b) Customer will comply with the terms of any other agreements it may have with the Bank which govern the Obligations.

In the event that Customer fails to comply with any of its promises herein, or any of its representations is untrue or any of its warranties is breached, or if any of the Obligations are subjected to service of process, including but not exclusively, a writ of execution, then Bank may immediately terminate this Agreement.

8. LAW GOVERNING. This Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Texas applicable to agreements made and to be wholly performed in such state.

9. TERMINATION OF THE AGREEMENT. Customer or the Bank may terminate this Agreement by giving written notice of termination to the other party which notice is effective when received by the other party. The rights and liabilities of the parties under this Agreement survive any termination of the Agreement until all Obligations have been satisfied in full.

10. NOTICES. All notices and other communications shall be sent to the

CUSTOMER:

Name: _____
Address: _____
City/State: _____

BANK:

Name: **JPMorgan Chase Bank, NA**

Appointment to the TMPA Board of Directors

Summary of Request/Problem

At the May 15, 2012 Work Session, Council was notified that Jamie Ratliff's term as a member of the Texas Municipal Power Agency (TMPA) Board of Directors will expire on July 18, 2012.

Information was posted on the City's website for 14 days beginning April 30, 2012 in order to provide an opportunity for citizens to apply for the position. Qualified applicants were requested to submit a letter of interest and resume to the City Manager's Office. Jamie Ratliff was the only citizen to respond.

Recommendation/Action Requested and Justification

Approve a resolution of the City Council reappointing Jamie Ratliff to the Board of Directors of the Texas Municipal Power Agency for a two year term commencing on July 18, 2012..

Approved By:

William E. Dollar
City Manager

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL REAPPOINTING JAMIE RATLIFF TO THE BOARD OF DIRECTORS OF THE TEXAS MUNICIPAL POWER AGENCY; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, Jamie Ratliff is currently serving on the Board of Directors of the Texas Municipal Power Agency ("TMPA") on behalf of the City of Garland; and

WHEREAS, his appointment will expire on July 18, 2012; and

WHEREAS, the City Council desires to reappoint Mr. Ratliff to the TMPA Board of Directors upon the expiration of his current term;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS:

Section 1

The City Council hereby reappoints Jamie Ratliff to the TMPA Board of Directors for a two year term commencing July 18, 2012.

Section 2

This Resolution shall be and become effective immediately upon and after its adoption and approval.

PASSED AND APPROVED this the _____ day of June, 2012.

Proposed Changes to Section 22.39(E) regulating Mobile Food Preparation Vehicles

Summary of Request/Problem

Health Department staff proposes that Section 22.39 (E) of the Code of Ordinances be modified by removing paragraphs (2) and (3).

The removal of paragraph (2) will eliminate the prohibition of conveying food from mobile food preparation vehicles to “walk-up” and “drive-up” customers. The removal of paragraph (3) will remove the restriction of mobile food preparation vehicles operating at one location no longer than one hour. The easing of movement and sales constraints will permit the new niche of “gourmet food trucks” to operate on private property within Garland.

The proposed draft ordinance was presented to the City Council by the Marketing/Events Committee Chair at the May 14, 2012 Work Session.

Recommendation/Action Requested and Justification

Hold a Public Hearing to receive citizen input regarding the modifications to Chapter 22.39(E) and consider an ordinance adopting the proposed changes.

ORDINANCE NO.

AN ORDINANCE AMENDING CHAPTER 22, "HEALTH", OF THE CODE OF ORDINANCES OF THE CITY OF GARLAND, TEXAS; PROVIDING A PENALTY UNDER THE PROVISIONS OF SEC. 10.05 OF THE CODE OF ORDINANCES OF THE CITY OF GARLAND, TEXAS; PROVIDING A SAVINGS CLAUSE AND A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARLAND, TEXAS:

Section 1

That Sec. 22.39(E) of Chapter 22, "Health", of the Code of Ordinances of the City of Garland, Texas, is hereby amended to read as follows:

"(E) Other requirements.

- (1) Mobile food preparation vehicles shall operate only where the written permission of the property owner or authorized agent of the property owner has been granted to allow the operation of the mobile food preparation vehicle and to allow lawful inspection of the vehicle while on the premises. A copy of such written permission shall be maintained in the vehicle at all times.
- ~~(2) The sale or conveyance of food from mobile food preparation vehicles shall be limited to the employees, agents and invitees of the business or agency operating the property on which the vehicle has legal permission to operate. All sales or conveyance of food to drive-up customers shall be prohibited.~~
- ~~(3) A mobile food preparation vehicle shall remain at one location no more than one (1) hour per stop, and no more than three (3) total hours at the same location in any twenty-four-hour period.~~
- (~~4~~2) All invoices and receipts for food supplies shall be maintained on the vehicle for inspection by the health authority."

Planning Report

Wes Parnell

3300 Broadway Boulevard

REQUEST

Approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for Restaurant, Drive-Through.

Note: On May 1, 2012 City Council approved a change of zoning from Office 1 (O-1) to Office 2 (O-2) and a Specific Use Permit for Restaurant, Drive-through tied to Chicken Express for a period of 25 years, and directed an ordinance be prepared for adoption on May 15th. At the May 15th meeting City Council voted instead to call public hearing for June 5, 2012 to give further consideration to this request.

OWNER

Michael Rampulla

PLAN COMMISSION RECOMMENDATION

On April 9, 2012 the Plan Commission, by a vote of 5 to 4, recommended denial of the request for a change of zoning and a Specific Use Permit.

STAFF RECOMMENDATION

Approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for Restaurant, Drive-Through.

BACKGROUND

The applicant requests approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for Restaurant, Drive-Through. The subject property is currently zoned Office 1 (O-1) District which neither permits by right nor by Specific Use Permit the operation of a restaurant with a drive-through. The subject property was developed in 1976 as an office building and was previously occupied by a bank. The applicant is proposing to renovate the existing building for use as a Chicken Express restaurant.

SITE DATA

The subject property contains 1.09 acres with approximately 167 feet of frontage along Broadway Boulevard and 160 feet of frontage along Stonewall Street. The subject property is located at the corner of Broadway Boulevard and Stonewall; the site can be accessed from both streets.

USE OF PROPERTY UNDER CURRENT ZONING

Development of this property is restricted to only the uses permitted in the Office 1 (O-1) District. The Office 1 (O-1) District provides for low-rise office and professional service development. This District is appropriately located adjacent to residential districts and may be used as a transition or buffer between residential uses and more intensive nonresidential activity. District regulations are designed to ensure compatibility with residential development by establishing maximum height, lot coverage and setback requirements. The Office 1 (O-1) District neither permits by right nor by Specific Use Permit the operation of a restaurant with a drive-through.

SURROUNDING ZONING AND LAND USES

- North: Properties to the north across Stonewall Street are zoned Office 1 (O-1) District and are developed with medical office buildings.
- East: Properties to the east are zoned Office 1 (O-1) District and are developed with offices.
- South: Properties immediately to the south are zoned Office 1 (O-1) District and are developed with medical office buildings. The property beyond the medical office buildings is zoned Shopping Center (SC) District and is developed with a multi-tenant commercial building and a pad site building.
- West: Properties to the west and southwest across Broadway Boulevard are zoned Shopping Center (SC) District and General Business (GB) District. These properties are developed with a McDonald's restaurant, a Valero gas station, a medical office, a Sonic restaurant, and a vacant building.

COMPREHENSIVE PLAN

The Future Land Use Map of the Envision Garland Plan recommends Neighborhood Centers for the subject property. Neighborhood centers provide a mix of retail, services and community gathering places appropriately scaled to adjacent residential areas. This type of center is predominately, but not exclusively non-residential and typically serves a three mile radius trade area within a 5-10 minute drive time, and a population of 3,000 to 40,000.

CONSIDERATIONS

1. The applicant is proposing a Chicken Express restaurant on the subject property by utilizing the existing bank building. The exterior and the interior of the building will be remodeled; however, the footprint of the building will remain the same. The building is approximately 4,225 square feet including the area under the drive-through canopy. The applicant proposes to preserve the existing brick veneered facades. The applicant also proposes to install a parapet that will be continuous on four sides.
2. Signage: The applicant proposes to install one 48 square foot oval sign and one 32 square foot rectangular LED sign on the existing sign pole that is located 22 feet from Broadway Boulevard and Stonewall Street. The overall height of the proposed freestanding sign will be 18.5 feet. The applicant proposes to install two menu board signs; one 38 square feet and the other 10 square feet in area. Neither sign will exceed 8 feet in height. The applicant proposes to install one 30 square foot sign on three of the sides of the parapet, for a total sign area of approximately 90 square feet. All of the proposed freestanding, menu boards and attached signage is in compliance with the requirements of the Sign Ordinance.
3. Parking: The parking ratio as specified in Section 10-200 of the City of Garland Comprehensive Zoning Ordinance requires a minimum of 8 parking spaces plus 1 parking space for every 50 square feet of dining area for a Restaurant with Drive Through. The applicant has indicated that the dining area would be approximately 408 square feet, requiring 9 parking spaces. Therefore, the total required parking for the site would be 17 parking spaces. The site plan indicates that a total of 17 parking spaces will be provided.
4. The applicant is requesting approval of the Specific Use Permit for a period of 25 years tied to **Chicken Express**.

COMPATIBILITY OF REQUEST WITH SURROUNDING ZONING AND LAND USES

Chicken Express will occupy a building that is currently vacant. A Restaurant, Drive-Through will provide a compatible service to nearby residential neighborhoods, retail and shopping centers, and offices located in the surrounding area.

REPORT & MINUTES

P.C. Meeting, April 9, 2012 (9 Members Present)

Consideration of the application of Wes Parnell, requesting approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for Restaurant, Drive-Through. The property is located at 3300 Broadway Boulevard. (File 12-15)

The applicant, Wes Parnell, 5540 Ledgestone, Dallas, TX 75214, made a brief presentation and was available for questions.

He feels this is the perfect location with a double drive-thru (80% of business is handled in the drive-thru) and the economics of redeveloping a building rather than constructing a new building.

There were 3 nearby property owners that spoke in opposition to the request. They were:

Dr. Phillip Dunn, 1016 Stonewall St, Garland

Dr. Lisa Gamer, 3310 Broadway, Garland

Denece Hodges, 2909 Anatole, Garland

The concerns included:

Lower property values

Trash from restaurant patrons

Increased crime due to increased nightly activity

Traffic congestion - traffic entrance/exit close to a very busy intersection will cause a lot of problems

Existing professional office area should be maintained

Alternative sites (vacant restaurants) exist

The applicant gave a response to these concerns. He stated that they will be open 7 days a week from 10:30am to 10:00pm and employees will be on site from 8:30am to midnight. They have more parking spaces planned than required and trash is cleared from the property early each day. He cited a traffic study that was performed by Buxton that found the site to have good access. The vacant restaurants do not meet their needs regarding size and drive-thru.

Motion was made by Commissioner Dalton, seconded by Commissioner Welborn to **deny** the request for 1) a change of zoning to General Business (GB) and 2) a Specific Use Permit for a Restaurant with Drive-Through.

Motion carried: 5 Ayes, 4 Nays by Commissioners Moore, Vera, LeMay and Ott.

Exert from City Council Meeting Minutes for May 1, 2012

Public Hearing and application of Wes Parnell requesting approval of 1) a change of zoning from Office 1 (0-1) District to General Business (GB) District and 2) a Specific Use Permit for a Restaurant with Drive-Through for property located at 3300 Broadway Boulevard. (Council District #3, File Z 12-15)

At the April 9, 2012 meeting, the Plan Commission (by a 5 to 4 vote) recommended denial of the request. Neil Montgomery, Senior Managing Director of Development Services presented the staff report explaining that this is a request to put a Chicken Express restaurant with a drive through at corner of Broadway and Stonewall at the site of the old Chase Bank. The Planning Commission recommended denial of the request.

Mayor Jones opened the public hearing at 7:21 pm.

The following citizens spoke during the public hearing:

1. Wes Parnell applicant- in favor.
2. Lonnie Holliday property appraiser working with applicant - in favor.
3. Philipp Dunn, DDS- against
4. Eddie Liebman - in favor
5. Dr. Lisa Garner - against
6. Jeffrey English - against
7. Jason Curtis - in favor
8. Appointed
9. Held

Council members questioned Mr. Parnell, the applicant, regarding the Stonewall turn-around area and the concerns regarding the traffic congestion on Stonewall. Mr. Parnell also explained that he has high standards for cleanliness of his restaurants and the parking lots around it.

Council clarified with Mr. Montgomery that if the motion was made to change the underlying zoning to Office 2, instead of General Business, this would eliminate some concerns regarding allowable uses. The SUP would still be tied to the applicant, Mr. Parnell, so other restaurants with drive-through lanes could not come in without also securing an SUP.

The Council clarified with Mr. Parnell that the empty restaurant building across the street (formerly Schlotzsky's Deli) was not a workable location for the Chicken Express, because it did not have room around the building for the drive through lanes.

Mayor Pro Tern Edwards made a motion to close the public hearing at 8:14 p.m., second by Councilmember Dodson, and to approve 1) a change of zoning from Office 1 (0-1) District to Office 2 (0-2) District and 2) a Specific Use Permit for a Restaurant with Drive-Through tied to applicant Wes Parnell for 25 years, for property at 3300 Broadway Boulevard. Motion carried by a vote of 5 Ayes, 4 Nays and 0 Abstentions. Ayes: Athas, Cox, Edwards, Dodson and Jones Nays: Jeffus, Willis, Cahill and Williams

De la Vega, Josue

From: Wes Parnell <wes.parnell@yahoo.com>
Sent: Tuesday, April 10, 2012 3:08 PM
To: De la Vega, Josue
Subject: Appeal

Josue,

I would like to appeal the decision by the planning commission to deny the zoning change from office 1 district to general business and for the specific use permit for a drive-through restaurant for the commercial property located at 3300 Broadway. If you have any questions, please give me a call.

Thanks

Wes Parnell

HEARING DATE/TIME: Plan Commission: April 9, 2012 – 7:00 PM

APPLICANT: Wes Parnell.

File Z 12-15

Dear Property Owner:

A public hearing will be held by the Plan Commission of the City of Garland, Texas, at 7:00 P.M. Monday, April 9, 2012, in the Council Chambers of City Hall, 200 North Fifth Street, to consider the application of Wes Parnell requesting approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for a Restaurant, Drive-Through. The property is shown on the enclosed sketch and is described as follows:

Being an approximate 1.0893-acre parcel shown as Lot 3 Block A of South Garland Professional Development No.3 Addition, an addition to the City of Garland, Dallas County, Texas. The property is located at 3300 Broadway Boulevard. (District 3)

Note: The applicant requests approval of 1) a change of zoning from Office 1 (O-1) District to General Business (GB) District and 2) a Specific Use Permit for a Restaurant, Drive-Through.

To convey any concerns or opinions regarding the aforementioned request, please complete the below-listed section and return to City of Garland, Planning Department, P.O. Box 469002, Garland, TX 75046-9002. Should you have any questions, please contact Josue De La Vega at 972-205-2445.

(Please Check One Below)

☐ I am in favor of the request.

☒ I am opposed to the request.

Please include any comments you wish to provide supporting your position in the space provided below.

1) Stonewall / Broadway intersection is already a safety hazard & more traffic will make it dangerous. 2) Further decrease in property values 3) Smell & trash in professional office area. 4) Late nite crowds will increase break-ins @ offices.

Planning Report

United Towing & Transport Inc.

2521 Oakland Street

REQUEST

Approval of a Specific Use Permit for a Wrecker Service on property zoned Commercial 2 (C-2) District and Industrial 1 (I-1) District.

OWNER

United Towing & Transport Inc.

PLAN COMMISSION RECOMMENDATION

On May 14, 2012 the Plan Commission, by a vote of nine (9) to zero (0), recommended approval of the Specific Use Permit for a Wrecker Service for 30 years tied to United Towing & Transport, Inc.

STAFF RECOMMENDATION

Approval of a Specific Use Permit for a Wrecker Service for 30 years tied to United Towing & Transport, Inc. The proposed wrecker service will be compatible with the surrounding area and will not increase the intensity of the industrial and auto-based commercial activity found in the area.

BACKGROUND

The applicant proposes to operate a Wrecker Service within an existing building located within a fenced lot approximately 1.1 acres in area. The Wrecker Service will operate in conjunction with an Automobile Repair, Minor business that is already in existence. Automobile Repair, Minor is allowed by right in both the Commercial 2 (C-2) and Industrial 1 (I-1) Districts.

SITE DATA

The subject property contains a total of approximately 1.1 acres and 210 feet of frontage along Oakland Street. The site can only be accessed from Oakland Street.

USE OF PROPERTY UNDER CURRENT ZONING

The Commercial 2 (C-2) District allows a broad range of commercial sales, service and repair activities, many of which are not appropriate in a retail or office environment. The Industrial 1 (I-1) District provides for a wide range of industrial uses which generate few objectionable conditions. Such uses include manufacturing, processing, assembling, research and development, and warehousing and distribution. The Industrial 1 (I-1) District also accommodates support services for industrial development such as office, commercial, personal and professional services, and limited retail activities.

SURROUNDING ZONING AND LAND USES

- North: Properties to the north to Kingsley Road are zoned Industrial 1 (I-1) District with one of these properties having a Specific Use Permit (S92-13) for a Commercial Type 2 Antenna. These properties are developed with auto repair shops and a gas station.
- East: Properties to the east are zoned Commercial 2 (C-2) District, Industrial 1 (I-1) District and PD (Planned Development) 08-52 District for Shopping Center Uses. The property immediately to the east is developed with a car dealership. The properties across Shiloh Road are developed with an alternative financial institution, a car wash, a fire station, and the vacant Wal-Mart building that sits amid a large parking lot.
- South: Properties to the south across Oakland Street are zoned Industrial 1 (I-1) District with a Specific Use Permit (S95-15) for New and Used Vehicle Sales, Repair, and Leasing. These properties are developed with a car dealership and industrial buildings.
- West: Properties to the west are zoned Industrial 1 (I-1) District. These properties are developed with industrial buildings, a church, and vacant buildings designed for industrial and warehouse uses. The subject property is separated from these properties by railroad tracks along the western boundary.

COMPREHENSIVE PLAN

The Future Land Use Map of the Envision Garland Plan recommends Industry Centers for the subject property. Industry Centers provide a cluster of trade and industry that cumulatively employ large numbers of people. Operations within this development type may require substantial infrastructure and may result in more significant negative impacts (sound, air, traffic, outdoor lighting, storage, etc.). Operations may include such elements as semi-truck traffic, loading docks, and visible outdoor storage. Overall the architecture, character, scale and intensity should be compatible with adjacent development types.

CONSIDERATIONS

1. The applicant proposes to operate the wrecker service within a building that is approximately 11,750 square feet. The wrecker service will operate 24 hours a day, Monday through Sunday, in conjunction with the existing minor auto repair shop. The existing building contains office space and two large storage spaces with twenty bay doors. The property was developed in 1966.
2. According to the applicant, United Towing & Transport Inc. will provide emergency roadside service for AAA. Stranded vehicles will be serviced at different locations and if necessary taken to a different location for storage. Serviced vehicles will only be brought to the subject site for minor repairs such as replacement of batteries, alternators, and starters.

Serviced vehicles will not be stored, either temporarily or permanently, at the subject site. The subject site will not operate as a vehicle pound.

3. The company's 13 trucks will be stored indoors; therefore, screening and landscaping requirements will not apply.
4. Section 10-200 of the Comprehensive Zoning Ordinance No. 4647 states that the minimum parking requirement for Wrecker Service is 1 for every 300 square feet of office plus 1 for each wrecker. The site must also meet the minimum parking requirement for Automobile Repair, Minor since such use will be operated simultaneously with the proposed Wrecker Service. The subject site is required to have a total of 30 parking spaces. According to the site plan submitted by the applicant, the site will have 30 parking spaces.
5. The applicant is proposing 2 attached signs with a cumulative area of 39 square feet, which is in compliance with the Sign Ordinance. No additional site improvements are being proposed.
6. The applicant is requesting approval of the Specific Use Permit for a Wrecker Service for a 30 year period tied to United Towing & Transport Inc.

COMPATIBILITY OF REQUEST WITH SURROUNDING ZONING AND LAND USES

The proposed Wrecker Service Use would be located in an area with properties that are mainly zoned Industrial 1 (I-1) District and predominantly developed with auto repair shops, car dealerships and buildings designed for industrial and warehouse uses. Considering the surrounding zoning and land uses and the fact that the company's trucks will be kept indoors, the proposed Wrecker Service will be compatible with the surrounding area.

Certify To: BBM Properties, LLC, Myers Courtesy Ford, Inc., a Delaware
Corporation and Chicago Title Insurance Company in connection with the
transaction described in G.F. No. CTDAL09-CT0000060473

I hereby certify that on the 13th day of September, 2011, this survey was made on
the ground as per the field notes shown on this survey and is true, correct, and
accurate as to the boundaries and areas of the subject property and the size,
location, and type of buildings and improvements thereon, if any, and as to the other
matters shown hereon, and correctly shows the location of all visible easements and
rights-of-way and of all rights-of-way, easements, and any other matters of record,
or of which I have knowledge or have been advised, whether or not of record,
affecting the subject property, and the location of all curb cuts and driveways, if any.
Except as shown on the survey, there are no encroachments upon the subject
property by improvements on adjacent property, there are no encroachments on
adjacent property, streets, or alleys by any improvements on the subject property,
and there are no conflicts or discrepancies.

Both vehicular and pedestrian ingress to and egress from the subject property is
provided by Oakland Avenue, same being a paved, dedicated public right-of-way
maintained by The City of Garland, which abuts the subject property, and is
physically open and being used.

This survey complies with the current Texas Society of Professional Surveyors
Standards and Specifications for a Category 1A, Condition II Survey.

REQUEST

Approval of a Specific Use Permit for a Reception Facility on property zoned Shopping Center (SC) District.

OWNER

Huynh Investments L.P.

PLAN COMMISSION RECOMMENDATION

On May 14, 2012 the Plan Commission, by a vote of nine (9) to zero (0), recommended approval of the Specific Use Permit for a Reception Facility for a period of ten (10) years, tied to the applicant.

STAFF RECOMMENDATION

Approval of the Specific Use Permit for a Reception Facility for a period of twenty (20) years, tied to Loveth and Tony Okwilagwe. Given the location of the reception facility within a shopping center located on a major thoroughfare, its distance from the developed senior living facility and the characteristics of the adjacent office uses, the proposed facility would be compatible with surrounding zoning and land uses. Furthermore, a reception facility has operated at this location for many years with no apparent conflict.

BACKGROUND

The Reception Facility use is described by the Zoning Ordinance as a facility that is open to the general public or made available for private uses, designed and used for social events, which may include but are not limited to parties, dances, receptions, banquets or similar social events. A Reception Facility is allowed only by Specific Use Permit, in a range of non-residential zoning districts including the Shopping Center (SC) District. The subject property was developed in 1973 as a multi-tenant shopping center and pad site which is currently occupied by a variety of retail, restaurant, office and personal service establishments, including a reception facility. The applicant is proposing to join Suites 302 and 304 and operate a 7,950 square foot reception facility.

SITE DATA

The subject property is a 7,950 square foot tenant space located within a multi-tenant shopping center on a 5.0 acre site. The site has approximately 425 feet of frontage along Broadway Boulevard. The site can be accessed from Broadway Boulevard and from Colonel Drive through a shared access driveway.

USE OF PROPERTY UNDER CURRENT ZONING

The Shopping Center (SC) District provides for the establishment of convenient retail and personal service activities by grouping compatible uses in a single center which is designed in an integrated manner according to an overall site plan. The Shopping Center District accommodates shopping center development having a neighborhood or community service area.

SURROUNDING ZONING AND LAND USES

- Northwest: Properties to the northwest to Stonewall Street are zoned Office 1 (O-1) District and are developed with office buildings and a vacant bank building (subject of current request for Chicken Express, File #12-15)
- Northeast: The properties immediately to the northeast are zoned PD (Planned Development) District 85-5 for Complex for the Elderly. The three lots closest to the subject property are currently undeveloped and the lot furthest to the northeast is developed with an independent and assisted senior living facility.
- Southeast: Properties immediately adjacent to the subject site are zoned Shopping Center (SC) District and are developed with a shopping center and a multi-tenant pad site center. These buildings are a continuation of the development on the subject property. The properties across Colonel Drive are zoned PD (Planned Development) District 11-27 for Multi-Family Uses (Assisted Living) and Shopping Center (SC) District. The property zoned PD (Planned Development) District 11-27 is currently undeveloped; however, the assisted living development is currently going through the permit process. The property zoned Shopping Center (SC) District is developed with a multi-tenant shopping center and restaurant pad site.
- Southwest: Properties to the southwest across Broadway Boulevard are zoned Shopping Center (SC) District, General Business (GB) District, Single Family Dwelling (SF-7) District and PD (Planned Development) District 84-12 for General Business Uses. The properties fronting Broadway Boulevard are developed with a gas station, a restaurant with a drive-through, an office building, a vacant building, an animal clinic, a fire station, and a multi-tenant shopping center. The property behind the lots fronting Broadway Boulevard is developed with South Garland High School.

COMPREHENSIVE PLAN

The Future Land Use Map of the Envision Garland Plan recommends Neighborhood Centers for the subject property. Neighborhood Centers provide a mix of retail, services and community gathering places appropriately scaled to adjacent residential areas. This type of center is predominately, but not exclusively, non-residential.

CONSIDERATIONS

1. The applicant proposes to operate a 7,950 square foot reception facility within Suites 302 and 304. Suite 302 is currently occupied by a bridal store that is operated by the applicant. Suite 304 is occupied by a reception facility which is a legal non-conforming use, having been established prior to the requirement for approval of a Specific Use Permit for Reception Facility in 2005. If the request is approved, Suites 302 and 304 will operate as one single tenant space combining both uses and divided only by a folding panel partition. The applicant has indicated that the reception facility will generally operate from 8:00 p.m. to 2:00 a.m. on Friday, Saturday, and Sunday.
2. The applicant has stated that there will not be sales of alcoholic beverages. However, in the case that alcoholic beverages are served or consumed during the events, security will be provided at the premise. The City Attorney's Office has indicated that State law identifies who can provide private security under Chapter 1702 of the State Occupations Code. The Attorney's Office recommends that security be provided as allowed under the State law as shown in the conditions. This security provision has been required with recently approved reception facilities.
3. Section 2.4 of the Reception Facility Ordinance (Ordinance 5873) states that required parking for a Reception Facility Use is 1 parking space for each 100 square feet of gross floor area. Based upon the information supplied by the applicant, the proposed reception facility will occupy approximately 7,950 square feet of lease space. The parking requirement for the proposed reception facility is 80 parking spaces and the parking requirement for the entire site is 239 parking spaces. The site, based on the plans provided by the applicant, has 298 parking spaces.
4. The proposed reception facility would be located adjacent to properties zoned PD (Planned Development) District 85-5 for Complex for the Elderly. One of these adjacent properties is developed with an independent and assisted living facility; however it is located approximately 650 feet from the subject site. The shopping center in which the suites are located is adjacent to a developed office district to the northeast. The reception facility will not operate during the times when the offices are open. Given the location of the reception facility within a shopping center located on a major thoroughfare, and given the characteristics of the adjacent properties and land uses, negative impacts are not anticipated.
5. There have been several requests for Specific Use Permits for Reception Facility in the immediately surrounding area, as follows:

In 2005, the City Council approved a request for a Specific Use Permit in the tenant space (Suite 202) adjacent to the subject property. This suite was never occupied as such, however. In 2008, the City Council denied a request for a Specific Use Permit at a location six tenant spaces from the subject property within the same shopping center. On May 15, 2012, the City Council denied a request for a Specific Use Permit at 3420 Broadway Boulevard, Suite 125, located in the multi-tenant shopping center across Colonel Drive.

6. The applicant is requesting approval of the Specific Use Permit for a 20 year period tied to **Loveth and Tony Okwilagwe**

COMPATIBILITY OF REQUEST WITH SURROUNDING ZONING AND LAND USES

The proposed reception facility would be located in an existing multi-tenant shopping center with adequate parking. The proposed facility would operate at times when adjacent professional offices are not open. Although the location of the proposed reception facility is contiguous to an area that is zoned PD (Planned Development) District 85-5 for Complex for the Elderly, the developed portion of that district is approximately 650 feet away from the suites which would be occupied by the reception facility.
